Wed., Jan. 11<sup>th</sup> at 7 PM  
New Castle Public Library - Community Room

Mark your calendars now for our January Program scheduled for January 11th. The presenter will be Marilyn Del Duca, a new member to Arasapha Garden Club. Her subject will be Tower Garden – Gardening the Aeroponic Way. This gardening concept is new and exciting. ## new cookie in town!

It's been 100 years of Girl Scouts selling cookies! A new cookie has been added to the 2017 lineup. Meet the Girl Scout S'more. It's dipped once, no twice in a yummy crème icing and covered in a chocolatey coating- introducing the Girl Scout S'mores cookie! This specialty cookie will be available for the 2017 cookie sale.

The tradition of making and enjoying s'mores in the outdoors was popularized by Girl Scouts as early as the 1920s. The organization was one of the first to publish the iconic recipe under the name "Some More" in a 1925 issue of Girl Scout Leader magazine and, then, as "sommomores" in an official 1927 Girl Scout publication. The popular s'mores recipe is just one component of Girl Scouts' longstanding commitment to the outdoors, a cornerstone of the organization that plays a vital role in girls' leadership development.

## the perfect Porterhouse

This is chef **Bobby Flay's** recipe for the perfect Porterhouse steak. With a steak this thick, you need to season liberally; when he demonstrated for us, the surface of the meat was virtually white from salt.

### ingredients

- 1 - 2"-thick Porterhouse steak, trimmed (about 2 lb.)
- 1 tablespoon vegetable oil
- Kosher salt and freshly ground black pepper
- 3 tablespoons unsalted butter, room temperature

### preparation

Let steak sit at room temperature 30 minutes before cooking, which will help it cook quickly and more evenly. Heat broiler. Heat a large skillet, preferably cast iron, over medium-high heat, then heat oil in pan until smoking. Season steak very generously with salt and pepper and cook until a deep brown crust forms on underside (do not turn), about 4 minutes. Transfer steak to a cutting board, turning it browned side up.

Cut meat from bone in 2 pieces (strip steak and filet mignon). Slice both pieces straight down perpendicular to the bone 1" thick. Replace sliced steak around the bone (it should look like a whole sliced steak) and return to skillet, browned side up. Top with butter and broil until butter is melted and steak is medium-rare, 4-6 minutes. Serve steak with buttery pan juices spooned over.

*Please savor the [video](#)*

*The cocktail equivalent of a New York egg cream, this rich and fizzy bourbon drink is absolutely delicious.*

### the makings

- 1.5 oz Maker's Mark Bourbon
- .5 oz Heavy cream
- .5 oz House Spirits Coffee Liqueur or other coffee liqueur
- .5 oz [Almond orgeat](#) ([bottled or homemade](#))
- Club soda

### now the making

Add all the ingredients except the club soda to a shaker and fill with ice. Shake for 10 seconds and double-strain into an 8-ounce Fizz or Collins glass.

Fill with club soda, pouring from about 6 inches above the glass.

Wait a few seconds and then add another splash of soda this will lift the foam above the top of the glass.

Serve with a straw.

## Choral Evensong Today ~ 4pm

Choral Evensong is a distinctively Anglican form of Vespers or Evening Prayer, in the traditional language of the 1662 Book of Common Prayer.. The service is brief—about forty-five-minutes—and is followed by food, drink and friendly conversation at an informal reception in the Academy. Choral Evensong is a wonderful way to introduce friends and neighbors to Immanuel. Join us and invite someone to share the experience with you!

I'm super smart too; I know sit, stay, paw, down and I even roll over sometimes! When I arrived at the BVSPCA it looked like I had a rough go of it for a while- but my scabs and scars only tell part of my story- which I know will only get better from today on! ### SrA Elizabeth Loncki

Oct. 14, 1983 - Jan. 7, 2007

Ten years ago 23 year old Air Force senior Airman Elizabeth A. Loncki of New Castle became the first female Delaware soldier killed in Iraq. From the memorial at Hill Air Force Base, "Tim, Liz, and Dan were among an elite group of nearly 1,200 active duty EOD Airmen that the rest of the world looks too," said Lt. Col. Craig Biondo, 775th Civil Engineer Squadron commander. "Simply put, they were the best in the world."

"These Airmen were killed-in-action serving for freedom's cause in our nation's war against terrorism," said Maj. Gen. Kevin Sullivan, Ogden Air Logistics Center commander, shortly after the ceremony. "Their commitment to the unit's mission and the Air Force is unparalleled."
