LEFTOVER FROM LAST WEEK

"Goodbye, Farewell and Amen" 2/28/83 was the final episode of **M*A*S*H**, 2½ hours long.. Special television sets were placed in PX parking lots, auditoriums, and dayrooms of the US Army in Korea so that military personnel could watch that episode; this in spite of 14 hours' time zone difference with the east coast of the US. It got a Nielsen rating of 60.2 and 77 share. An astonishing 125 million viewers. At the time there were 83.3 million television homes, compared to almost 115 million today.

TAX PREPARATION

Colonial Income Tax Service

302-322-1135

700 Delaware St. New Castle, DE 19720

APPLE PIE *baked in apple*

5-6 Granny Smith apples
(make sure they can stand on their own)
1 tbsp. cinnamon • 1/4 cup sugar
1 tbsp. brown sugar
Pie Crust (get it at the supermarket for pete's sake)

- 1 Preheat oven to 375°
- 2 Cut off the top of 4 apples off and discard. Remove the inside of each apple with a spoon or melon baller very carefully, as to not puncture the peel. If you're a skilled interior apple excavator, salvage as much as you can so you can use it for Step 2. On the other hand, being not skilled...just throw interior apples away and chop up additional apples for filling.
- 3 Remove skin from remaining apple(s) and slice very thinly. These apple pieces will give you the additional filling needed to fill the four apples you are baking.

Mix sliced apples with sugars and cinnamon in a bowl. If you prefer more or less cinnamon make adjustments as desired. Same goes for the sugar.
Scoop sliced apples into hollow apples.
- 4 Roll out pie crust and slice into 1/4 inch strips. You can also add a strip of pastry inside the top of the apple almost like a liner to add a little more texture/sweetness to the pie.

Cover the top of the apple in a lattice pattern with pie crust strips.
- 5 Place apples in an 8x8 pan. Add just enough water to the cover the bottom of the pan.

Cover with foil and bake for 20-25 minutes.
Remove foil and bake for an additional 20 minutes or until crust is golden brown and sliced apples are soft.

The beauty of a Banana Split Martini

is that you can change up the ingredients just like you can with a real [banana split](#). By adding a flavored vodka you can add your favorite "topping." Strawberry, pineapple, coconut, or even more chocolate or banana are all good options there are many others that you could play with.

The other choice you have is the garnish. You could go low-key and stick with the customary banana slice, or a lone strawberry, or pineapple slice, maybe adding a cherry. There's the strawberry and chocolate syrups drizzled in the bottom of the glass, and the decadent chocolate dipped strawberry or banana. This drink is completely customizable.

ingredients

- ❖ 1 1/2 oz [vodka](#)
- ❖ 3/4 oz [creme de banane](#) or [banana liqueur](#)
- ❖ 3/4 oz [creme de cacao](#)
- ❖ banana slice for garnish

preparation

- ❖ Pour the ingredients into a [cocktail shaker](#) filled with ice.
- ❖ [Shake](#) well.
- ❖ Strain into a [well-chilled cocktail glass](#).
- ❖ Garnish with a banana slice (more garnish ideas above).

Cobblestones is growing!

Every Sunday morning, 500 plus
“Cobbles” receive their weekly dose of
New Castle's comings and goings and
other good and interesting stuff!
Cobblestones is my “fun” project, a
service to the community. There is no
charge to community organizations for
their listings. *Keeping the the ‘community
fun philosophy’ Cobblestones is free of
political or social issue advertising.*

Space for **commercial/
business** ads require a donation of
\$50 to cover time and materials.
That covers four random insertions.

Ads should be a moderate size. A jpg
or PDF works the best. Let me know early
in the week an approx. size with a final
copy Thursday. If it's just a listing for
“events”, please send me copy as soon as
possible.

Personally, I would like
to thank everyone for your
interest and participation in
the growing Cobblestones
family. Anything I can do to
help, please let me know.

a bit of Organ history

St. Peter the Apostle Church

in Old New Castle, has a tracker pipe organ that was installed in 1883 by the Hook and Hastings organ factory (in the 1800's the premier organ maker in the United States).

Our historic organ was designed specifically for the size and acoustics of our church. Each component was made by hand, including the pipes and cabinetry. Its unique characteristics are atypical of most pipe organs of the time. The component pieces were transported by train and assembled once arriving to our church. Although still in functional condition considering its age, it needs to be completely restored as many parts are deteriorating and/or damaged. The organ will be completely disassembled, removed from the church and transported to North Carolina. Due to the complexity of the restoration, the project will take us several years with an estimated cost of \$110,000. ► Our Organ
