St. Patrick's Day

St. Patrick was the patron saint and national apostle of Ireland who is credited with bringing Christianity to Ireland. March 17 is widely accepted as the date of St. Patrick's death in 461.

Was there really a St. Patrick? Definitely. Did he really drive the snakes out of Ireland?

Probably not.

At age 16 (around A.D. 400), Patrick was kidnapped from his home on the west coast of England and carried off to

Ireland. After 6 years, he escaped; upon returning home, he received his call (in a dream) to preach the Gospel. Although some Christians lived in Ireland at the time, it was Patrick who spread Christianity throughout the land and brought an organized church into existence.

We wear a shamrock, a local Irish foliage, on St. Patrick's Day because Patrick used its three leaves to explain the Trinity. It was also as regarded by ancient Celts as a charm against evil spirits.

In the early 1900s, **O. H. Benson**, an Iowa school superintendent, came up with the idea of using a clover as the emblem for a newly founded agricultural club for children in his area. In 1911, the four-leaf clover was chosen as the emblem for the national club program, later named 4-H.

Easter Flower cupcake

Ingredients

1 vanilla c.cake, recipe follows
2 to 4 tablespoons White Fluff Frosting,
recipe follows...**not!**
Pink and yellow sanding sugar
5 pink candied Jordan almonds
1 red jujube
1 piece green fruit-by-the-foot

Directions

Frost the c.cake. Top with pink sanding sugar. Place Jordan almonds on top in a flower petal pattern. Press a jujube candy in the center of the flower. Cut the fruit-by-the-foot to make the flower stem, press onto the cake.

Process sugar and butter in a food processor until very creamy, scraping sides as needed, 1 to 2 minutes. Add the eggs and yolks, one at a time, pulsing after each addition. Add the milk, water, and vanilla and process to blend.

Whisk both flours, baking powder, and salt in a medium bowl. Add the dry ingredients, in 3 batches to the wet, pulsing, and then scraping batter off the sides of the processor as needed after each addition. Process until the batter is very smooth and pourable like pancake batter, about 2 minutes.

Evenly pour the batter into the prepared c.s, filling them 3/4 of the way full. Bake until the cakes are just firm and spring back when gently pressed, and the tops are golden, 18 to 25 minutes. Cool slightly in tin, and turn out of tin when cool enough to handle. Cool c.cakes completely on a rack before frosting.

Vanilla cupcakes

2 2/3 c.s sugar
1 c. (2 sticks) unsalted butter, cut into 1-inch pieces
2 large eggs
2 large egg yolks
2/3 c. milk
2/3 c. water
2 1/2 tsp pure vanilla extract
2 2/3 c.s all-purpose flour
1 1/3 c.s cake flour
4 tsp baking powder
1/2 teaspoon fine salt
Preheat oven to 350°. Line two 12-c. c.cake tins with paper liners. Put tins on a baking sheet. Set aside.

Fluff frosting

Is at your ShopRite, Pathmark or Acme. Comes in a little white tub. Just spread it on. It's a lot less messy with little cleaning to do. Just as yummy too!

Andrew Wyeth's *Ides of March*:

The Making of a Masterpiece through May 19

This exhibition offers a historic opportunity to view Andrew Wyeth's rarely-seen tempera painting, *Ides of March* (1974), along with more than 30 of the studies that were instrumental to his development of the composition. Assembled together for the first time, these provide remarkable insight into the artist's creative approach and generative imagery. Visit the [Museum Shop](#) for items related to the exhibition. The exhibition is generously funded by
