Grill it...and they

- 1 Clean and pre-heat your grill on high.
- 2 Lightly oil and season everything before you put it on the grill and prevents sticking.
- 3 Sear the outside of the steaks when grilling, use the grill as much as possible during the grilling process. Never pierce the steak when grilling as this will cause the juices to escape. Press or squish the steaks or burgers when grilling.
- 4 Use the 60/40 grilling method. Grill for 60% of the time after you turn over the food. This will give you an even cook.
- 5 Place your cooked meats on a clean plate and let them rest for 5 minutes before serving to retain moisture and juiciness.

Most steaks don't take very long to cook on the grill. You can always cut a steak back on the fire, but it's
