Students raise \$12,544.41 to fight childhood cancer

ANDREW McDONOUGH

The Positive Dance for a Cure to raise money for kids fighting childhood cancer was an outstanding success! On Friday he students at St. Peter the Apostle School presented Joe McDonough and the Be Positive Foundation with a check from their fundraising efforts to help kids fighting cancer at AI DuPont Hospital!

A new spot for breakfast or lunch

The **Fork in the Road Cafe** held a Grand Opening Saturday in preparation for their regular M-F 8am -2pm hours.

Located in the Julia Building at the Delaware Memorial Bridge Plaza (where Dana offered his fare).

For breakfast or lunch this new restaurant looks very promising!

Muffins and Scones are baked on site and the cheese burgers (I would call them CheersBurgers) are hand made and cooked to your order.

You have to try the **Mac & Cheese Steak and Sloppy Pig**. Smack fries and hand made potato chips make perfect sides! Salads, sodas and soups round out this new menu.

CobbleCongrats to Mike Connolly

The **Chadds Ford Historical Society** President Kendal Reynolds has announced that **Michael Connolly**, formerly of the New Castle Historical Society, will be assuming the position of a new executive director on May 2.

During the past few months, the society has conducted an extensive search to find a new director with the mix of education, background and experience to lead the organization, fulfill its Mission and increase its involvement with the Chadds Ford community.

“Mike's attitude and philosophy aligns with the direction of the society and his demonstrated network, resources, and development focus will solidify the great team we have built during the past year,” Reynolds said recently. The CFHS welcomes Connolly and looks forward to its bright future under his leadership.

Renovations to farm stand at historic Penn Farm underway

Delaware Greenways, Inc. (DGI), managing tenant of Historic Penn Farm is pleased to announce that the first

Footers are in place

phase of construction on the Farm Stand is underway. Upgrades to the property include a green roof, rain barrels and other methods to reduce surface water pollutant loads aimed at reducing surface water pollutant loads into the Army Creek Watershed.

Stay tuned for more information as our work continues on the Farm Stand in anticipation of a June 2016 Grand Opening.

Delaware Greenways continues its work at HPF to create a sustainable, bio-diverse, productive farm that inspires and educates the community towards healthier lifestyles, demonstrates good environmental stewardship through best practices, and provides a unique gathering place for community events

The Good Will Fire Company

is please to announce that we have officially placed into service Engine 18-2.

Engine 18-2 is a 2016 Pierce Arrow XT pumper. The unit features a 1500GPM pump, 750 gallon water tank, and multiple hand lines. The new Engine 18 was backed into the station on March 10th. Members have been undergoing familiarization training and reviewing equipment layouts and hose packs.

The original Rescue 18 served New Castle for twenty years and has been officially sold to the Pitcan Fire Company of Pennsylvania.

Rescue 18 was purchased in 1994 and delivered in July of 1995. The Rescue was equipped with state of the Art Holmatro rescue tools, rope rescue and water rescue equipment, along with all of the necessary equipment to be classified as a pumper and conduct fire fighting duties. To replace Rescue 18, Engine 18-3 has been undergoing a conversion in the last two months and will soon be redesigned as Engine 18-6 and will carry our vehicle rescue equipment much like Rescue 18 did.

DOWNTOWN EXPRESS at the ready!

Hi everyone my name is, **JAZZ**

I love the outdoors and cuddling up with my human friends! My pals here think my name should be Bear, because I kind of look like a little bear cub! When I first arrived to the shelter I was really scared and nervous, but everyone at the BVSPCA has accepted me with open arms and made me feel a lot more comfortable. I would still like a home of my own home though and would absolutely love to be a part of a loving family. The ideal family for me would have to be an active one that loves the outdoors, walk, trails, hiking and play ole goof ball family. I'm also a certified good listener and will tilt me both ways to ensure my human companion knows I am listening. Well anyways before I get too wrapped up in my daydream you should come visit me, I know I can make my way into your hearts just like I did with my pals here!

Lemon Spaghetti

with feta

basil

ingredients

- * kosher salt
- * 1 lb. spaghetti
- * 3 tbsp. extra-virgin olive oil
- * 2 lemons, 1 zested, both halved with seeds removed * 2 tbsp. butter

* 2 garlic cloves, minced

- * ¼ tsp. crushed red pepper flakes
- * Freshly ground black pepper
- * 1 c. vegetable stock
- * 1 c. freshly grated Parmesan
- * ½ c. crumbled feta
- * 1 c. chopped fresh basil

directions

1. Bring an 8-quart stock pot of water to a boil and generously season with salt. Cook pasta according to package directions, until al dente. Drain, reserving 1 cup pasta water.
2. Return pot to stove over medium-high heat. Add olive oil to pot and place lemons cut side down on the bottom of the pot. Sear lemons until they have a golden brown color, about 3 minutes, then remove and set aside. Add butter, garlic, and red pepper flakes to pot; cook until garlic has softened, about 2 to 3 minutes. Add 1 tablespoon lemon zest, juice of 2 lemons, 1 teaspoon salt, 1/2 teaspoon black pepper, and vegetable stock and stir.
3. Add pasta to pot with garlic-lemon mixture. Mix in half the parmesan and feta. (If pasta seems dry, slowly add reserved pasta water until desired consistency.) Just before serving, mix in half the chopped basil.
4. Transfer pasta to a platter and top with remaining parmesan, feta, and basil. Serve immediately & **ENJOY!**

FIELD TRIP TO Chanticleer Gardens Sat., April 23rd Arasapha Garden Club

invites all garden enthusiasts to join us on a field trip to Chanticleer Gardens located in Wayne, Pa. Chanticleer, the name for the Rosengarten Estate, was the summer home of the family which was transferred to the Chanticleer Foundation in the early 1990's and has become a premier pleasure garden open to the public. We will be leaving at 9 am from the parking lot across from 419 South St, New Castle. The estimated commuting time is 1.15 minutes. The Gardens open at 10 am. The individual entrance fee is \$10. This will be a self-guided tour with maps provided by the gardens. The terrain through parts of the garden is steep and at times uneven so plan to wear comfortable walking shoes. **Your RSVP is requested by April 1st** so transportation by member cars can be organized. There is the option for lunch at a restaurant in the area before returning to New Castle. Please indicate your interest in having lunch in your RSVP. Details will follow regarding lunch.

Cobblestones is growing!

Every Sunday morning, more than 750 "Cobbles" (plus 250+ Facebook followers) receive their weekly dose of New Castle's comings and goings, lite gossip with other good & interesting stuff!

Cobblestones is my "fun" project, a service to the community. There is *no charge* to community organizations for their listings but *donations are welcome*.

Keeping in mind the 'community fun philosophy' Cobblestones is free of political or social issue advertising.

Space for commercial/business ads require a donation of \$50 to cover time and materials. That covers four random insertions.

Checks made to me personally.
Ads should be a moderate size. A jpg or PDF works the best. Let me know early in the week an approx. size with a final copy Thursday. If it's just a listing for "events", please send me copy as soon as possible.

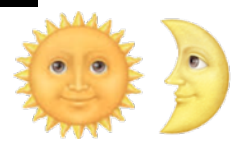

Personally, I would like to thank everyone for your interest and participation in the growing Cobblestones family. Anything I can do to help, please let me know.
