CHOCOLATE lasagna

gather these goodies

1 package regular Oreo cookies (Not Double Stuff) – about 36 cookies

6 Tablespoon butter, melted
1- 8 ounce package cream cheese, softened
1/4 cup granulated sugar
2 Tablespoons cold milk
1- 12 ounce tub Cool Whip, divided
2 – 3.9 ounce packages Chocolate Instant Pudding.
3 1/4 cups cold milk
1 and 1/2 cups mini chocolate chips

now u make um

- 1 Begin by crushing 36 Oreo cookies. **No cheating, crush them all!** You can use a food processor for this, but you could also place them in a large ziplock bag and crush them with a rolling pin. When the Oreos have turned into fine crumbs, you are done.
- 2 Transfer the Oreo crumbs to a large bowl. Stir in 6 tablespoons melted butter and use a fork to incorporate the butter into the cookie crumbs. When the butter is distributed, transfer the mixture to a 9 x 13 inch baking dish. Press the crumbs into the bottom of the pan. Place the pan in the refrigerator while you work on the additional layers.
- 3 Mix the cream cheese with a mixer until light and fluffy. Add in 2 Tablespoons of milk, and sugar, and mix well. Stir in 1 and 1/4 cups Cool Whip. Spread this mixture over the crust.
- 4 In a bowl, combine chocolate instant pudding with 3 and 1/4 cups cold milk. Whisk for several minutes until the pudding starts to thicken. Use a spatula to spread the mixture over the previous cream cheese layer. Allow the dessert to rest for about 5 minutes so that the pudding can firm up further.
- 5 Spread the remaining Cool Whip over the top. Sprinkle mini chocolate chips evenly over the top. Place in the freezer for 1 hour, or the refrigerator for 4 hours before serving.

Milk and Maple Vodkas

From the verdant pastures and snowy woods of Vermont come these two unique vodkas from Vermont Spirits. Vermont White is vodka distilled from a mixture milk sugar and spring water, while Vermont Gold swaps maple syrup for the milk sugar.

What do distilled milk sugar and maple syrup taste like? A representative from the company described the White version as having "a great mouthfeel, almost creamy with a touch of sweetness and a clean smooth finish," and said the Gold version "smells like maple with floral notes, has a caramel-like flavor, and is a little sharper than the White."

New Castle Court House

presents a fashion extravaganza
showcasing three aspects of 18th
century style!

Dyeing to Dress

Color is a major expression of style. But where does it come from? 18th century artists created myriad dyes from a variety of materials, mostly plants. In this program, the audience can join in dyeing wool and learning about dyes and techniques of the 18th century.

From Pockets to Petticoats

"What shall I wear?" asked the 18th century woman. Learn about what she wore, the material it was made from and how the style reflected her social status. We will dress her from Pockets to Petticoats and show how clothes made the woman!

Who's Wearing the Pants: Breeches to Trousers

What did men wear between the American Revolution and Jane Austen's era? Using period artwork, reproduction garments and antique items, we'll explore the dramatic changes in fashion from 1770 to 1810 in this program.
