Do you have time to tutor?

There's a need in our New Castle communities to assist students that need that little extra to help them with their school work.

If you, or your organization, could share a few hours a week to help, give me a call or drop me a line.

What are those things alongside of the road?

As part of the Municipal Services Commission's (MSC) water main relining projects, J. Fletcher Creamer is installing a temporary water line to service customers. They are being placed alongside of the road, but once in place they will not prevent people from parking near them. When the temporary lines are completely installed they will be chlorinated and bacteria tested and then the tie in to individual homes and businesses will begin.

The temporary service will be placed in operation when the cleaning and relining of the existing water mains takes place over the next couple of months. Projects are taking place in the area of Delaware Street, Ninth Street and Dobbinsville. During this time road closures and lane restrictions will take place, in addition to parking restrictions.

MONDAY, APRIL 17TH

is the first day after Easter, and often features Easter egg rolls. It is not a federal holiday in the US, but is in other cultures, including Poland where it is called Dyngus (Splash) Day, when children traditionally play water games. Historically a Polish-American tradition, Dyngus Day celebrates the end of the often restrictive observance of lent and the joy of Easter. Over the decades, Dyngus Day has become a wonderful holiday to celebrate Polish-American culture, heritage and traditions.

OUT OF THIS WORLD

- 1 (2-layer) package yellow cake mix. -
- 1 20 oz can of crushed pineapple - 3 cups of milk - 1 6 oz package of vanilla instant pudding mix (best to use 3 oz of vanilla & 3 oz of banana, pudding mix)
- 1 tsp vanilla extract - 8 oz cream cheese, softened - 12 ounces frozen whipped topping, thawed (one container of cool whip-8 oz also works)
- 1 cup shredded coconut - 1 cup chopped pecans

Prepare and bake the cake using package directions for a 9 x 13-inch cake pan. (Once cake is baked & out of the oven) Pierce the top of the cake with a fork. Pour the undrained pineapple over the baked cake. Mix milk, pudding mix and vanilla in a medium bowl, set aside. Beat cream cheese in a medium mixer bowl at high speed until light & fluffy. Add the pudding mixture, beating until smooth. Spread over the prepared layers (cake w/ pineapple). Top with the whipped topping. Sprinkle with the coconut & pecans.

CHILL, covered for several hours.

Recipe courtesy of Julie Harrington's kitchen

The Azalea is so light and refreshing. It is perfect for sipping on while watching the tournament or any upcoming spring/summer parties. Lemon juice, pineapple juice, vodka and grenadine. SO good!!!

I like to make a big pitcher of this Azalea cocktail and have it in the fridge for parties. You can also make a single cocktail if that is all you need. Either way, this is a fantastic cocktail!

gotta have

- 1 oz lime or lemon juice - 1 oz pineapple juice - 3 ounces vodka (or gin) dash grenadine

make it

Mix 1 part lime or lemon juice, 1 part pineapple juice and 3 parts gin in a cocktail shaker with ice. Add grenadine to get an azalea shade of pink. Shake, and pour over ice your favorite glass.

The Pink Moon

The April full moon peaked last Tuesday, reaching its fullest phase late at night, just after the bars close in most cities on the U.S. East Coast. But it still appeared full Wednesday to casual observers. April's full moon is known as the Pink Moon, but don't expect it to look particularly pink. It is named after pink flowers called wild ground phlox, which bloom in early spring and become widespread throughout the U.S. and Canada this time of year. In fact, the April full moon is the first full moon of spring in the Northern Hemisphere (it's the first fall season full moon in the Southern Hemisphere).
