## Arbor Day a success!

23 London Plane trees were planted along the driveway at Historic Penn Farm last Friday. With each tree weighing in between 200 and 250 pounds each, the volunteers had their task set out for them! Under the supervision of Keshia Braunskill from the Forestry Service, the volunteers were able to plant and stake all 23 trees in just four hours. Other activities included planting an herb and flower garden as well as farm tours. Representatives from several organizations such as MSC, Delmarva Power, National Parks Service and many more! A special thanks to Jack Witzman and John Lloyd, New Castle Tree Commissioner.

## My friends Mimi & Earl,

It's almost impossible to put into words the gratitude due to you both for keeping New Castle informed for these many years. Picking up the pen from Bob Schafer in 1991, transforming the Eagle into the Weekly, was, I'm sure a challenge, but also a commitment to the town and its citizens. When you asked me to design your masthead, I was honored. Bob would have wanted it that way.

Now, after 23 years, you've decided it's time to enjoy life without deadlines and look at New Castle as spectators.

I started my newsletter as something to do after a career in advertising. One evening, when I entered Council chambers, someone commented, "Here's the competition". I believe we have complemented each other. When someone would ask me to cover or report something on a recent 'news event', I always replied that was for the newspaper... "That's for Mimi and Earl".

What's next for the little office on Market Square is unknown but today I would just like to say,

*"Thank You, Carpenters!"*

# TEXAS HASH

COBBLE COOKS

Some days it's nice to roll out of bed and know that breakfast is only minutes away. Skillet Texas Hash is the perfect breakfast potatoes recipe to make after you and your family have slept in.

## ★ Gather Up ★

4 potatoes, peeled, diced ★ ½ lb breakfast sausage ★ 8 slices thick cut bacon, diced ★ 3 cloves garlic, diced ★ 1 white onion, diced ★ 2 fresh jalapeños, sliced ★ 2 chipotle peppers, minced ★ ½ bunch green onions, sliced ★ 1 tsp creole seasoning ★ 1 tsp ea. garlic & onion powder ★ ½ tsp black pepper ★ ½ tsp chili powder ★ ¼ tsp crushed red pepper ★ 1c. cheddar cheese, grated

## ★ Get fixn' ★

In a medium pot add diced potatoes, cover with cold water and boil for 5 minutes. Drain and set aside.

In a medium skillet add 1 tbsp of olive oil and heat over medium heat. Add bacon and cook until crispy. Drain bacon and set aside.

Reserve 2 tbsp of bacon grease and add white onion, jalapeños, chipotle peppers and sauté for 5 minutes, add garlic and sauté 1 minute more. Add breakfast sausage and cook until browned about 7 minutes, add potatoes and add all spices.

Mix mixture well and cook for about 5 minutes, stirring occasionally.

Heat broiler. Toss in bacon and half of green onions into potato mixture, top with cheese and place under broiler for 3-4 minutes or until cheese melts. Remove from oven and sprinkle remaining green onions on top.

Serve with sour cream.

## LAVENDER LEMON DROP

This recipe is adapted a little bit because to lightly muddle the lavender in the simple syrup. Another option is to use a [lavender-infused simple syrup](#), which is very easy to make and nice to have in stock in the spring and summer.

A fantastic adaptation of the popular [Lemon Drop Martini](#) in which the lavender adds depth and counteracts the sour of the lemon juice just enough to make a difference.

To do:

- ◆ 2 ounces [Tru Organic Lemon Vodka](#)
- ◆ 1 ounce fresh lemon juice
- ◆ [Lavender sprig](#)
- ◆ 1 Tablespoon [simple syrup](#)
- ◆ Lavender sprig for garnish

# Planning

## commission notes

The Planning Commission covered a lot of ground at their Monday meeting but not with asphalt or concrete as many feared who had come to present their feelings and concerns.

The Parking Sub-Committee, chaired by Jo Viola, recommended five possible locations that could be considered as off-street parking facilities. Some questioned if there was a parking problem in town. Others suggested finding an alternate place for those employed in the downtown area to park. This would open open spaces for visitors and shoppers.

The Parking Sub-Committee proposal presented to the Planning Commission asked only to have the Council consider locations and concepts and define the scope and prioritize the locations according to a variety of considerations. The Parking Committee **did not** specifically recommend "paving" for any of the sites **but** to consider a variety of issues for the suitability of each location. Those areas presented to the Commission are included in detail on page 6.

Many residents voiced their concerns which included the flooding of Battery Park and the "bowl" at the tennis courts. Enlarging the 3rd Street lot concerned residents along that narrow street. Many have had vehicles damaged.

The purpose of the meeting was to identify any recommendations and for the possibility of available funding to study the feasibility of proceeding. It's important to note that no engineering study has been initiated. Two locations, Fort Casimir and Broad Dike, will be studied for possible grants/funding.

The Downtown Gateway Zone maximum building height lead to quite a discussion that resulted in deleting "3 stories" with "a maximum height of 45 feet from mean ground level".

The missing convex mirror at Dalby Alley raised safety concerns before the committee. Dalby Alley resident Lula Atherton, spoke of the dangers of exiting without seeing approaching pedestrians or traffic, citing occasions where drivers narrowly missed children riding bikes on the sidewalk, even with an adult following. The City engineer suggested the proper plans would include eliminating two parking spaces on either side of the Alley, enlarging the depth of the sidewalks into the street. That would include handicap ramps like the ones by the Court House. After alternatives were discussed the solution was to replace the mirror with the addition of **No Trucks** signage. An additional mirror may be installed at a later date.

Earlier, John Fellows of Duffield Associates presented the Coastal Plan Update which will be the subject of a future article. The minutes of the meeting will soon be available on the City website.

The next Planning Commission meeting will be **Monday, May 19th at 6:30 pm** in the Town Hall. It's advised to eat early and come to be part of New Castle's future plans.

**The New Castle Historical Society** is raffling off a trip for two to England this summer!

## Historic Penn Farm *wants your ideas!*

The 112 acre Historic Penn Farm is the last remaining working farm from the original William Penn Land Grant to New Castle. Since 1764, this farm has been under the care of the Trustees of the New Castle Common (Trustees) and has served as a tenant farm up through 2010. In 2011 the Trustees entered into an agreement with Delaware Greenways to serve as managing partner of the farm with the goal to repurpose the farm to serve the good of the community.

This spring we are working on developing a 5-10 year comprehensive plan for the farm, and community input for a shared vision of the farm is a critical component to transforming the farm into a vibrant community resource and center for sustainable agriculture.

### 2 opportunities remain

to share your vision for Historic Penn Farm

**Thursday, May 8<sup>th</sup> 11am-1pm Public Workshop:** Stop by on your lunch break to learn about the latest activities and plans for Historic Penn Farm, and share your ideas for how the farm can best serve YOU and the community. Visioning workshop will be located in the Bank Barn.

**Saturday, June 14** --Stop by the Historic Penn Farm/Delaware Greenways booth during the **Separation Day** festivities at New Castle's Battery Park. Learn about the latest activities and plans for Historic Penn Farm, and share your ideas for how the farm can best serve YOU and the community.

## Cinco de Mayo

Most people don't know that back in 1912, Hellmann's mayonnaise was still manufactured in England. In fact, the Titanic was carrying 12,000 cases of the condiment scheduled for delivery in Vera Cruz, Mexico, which was to be the next port of call for the great ship after its stop in New York. For reasons of historical interest, the popularity of mayonnaise in Mexico at this time was phenomenal. This would have been the largest single shipment of mayonnaise ever delivered to Mexico. But as we know, the great ship did not make it to New York. The ship hit an iceberg & sank, & the cargo was forever lost. The people of Mexico, who were fond of mayonnaise, and were eagerly awaiting its delivery, were disconsolate at the loss. Their anguish was so great, that they declared a National Day of Mourning, which they still observe to this day. The National Day of Mourning occurs each year on May 5th & is known, of course, as Sinko de Mayo.
