## Historic New Castle Delaware

Dear New Castle Friends,

*Historically Boston and New Castle have shared a supportive relationship for over 200 years. During the British Blockade of Boston in 1774 residents of New Castle raised a substantial amount of money to help sustain the beleaguered City of Boston.*

*When the 1824 fire destroyed over half of the houses along The Strand, Boston citizens responded with a gift of money to assist citizens displaced by the fire and enabled New Castle to purchase a fire engine affectionally called Good Will.*

While almost 200 years have passed, New Castle has not forgotten our friends in Boston. We cannot bring back the life of a young boy or the daughters who lost their lives. We can show our heartfelt support; we can make life just a little bit easier for those who struggle to survive the tragic attack.

Once again New Castle can step up to help Boston. *The New Castle Goodwill to Boston Fund* is a fundraising effort to contribute to *The One Fund Boston, Inc.*, a clearinghouse for all donations for the Boston victims and their families. The New Castle Goodwill to Boston Fund is a 501 c 3 and all donations are tax-deductible. Contributions may be made out and sent to :

### The New Castle Goodwill to Boston Fund

609 Deemer's Landing  
 New Castle, DE 19720-7211

Please find it in your heart to help our friends in Boston who have been affected in this tragic situation. Let us continue our supportive relationship with the citizens of Boston.

Sincerely,  
 Donald A. Reese  
 Mayor of New Castle

# cheesecake flan

directions

- 2 c. sugar
- 1/4 c. water
- 12oz cream cheese, at room temperature
- 3 large eggs, at room temperature
- 1 (14oz) can sweetened condensed milk
- 1 (12oz) can evaporated milk
- 1 1/2 c. milk, at room temperature
- 1 tsp vanilla extract

ingredients

## Special equipment: 10 (3 1/2-inch) ramekins

Set a large bowl of ice water next to your stovetop. Place the sugar and 1/4 cup of water in a medium saucepan over medium-high heat. Using a pastry brush, stir the sugar occasionally, being careful not to get any grains stuck against the sides of the saucepan, until it has all dissolved. Swirl the saucepan every minute until the sugar becomes a golden reddish-brown, about 10 to 15 minutes. Shock the bottom of the saucepan by placing the bottom in the ice water to stop the cooking, and then equally divide the caramel into 10 to 12 (3 1/2-inch) ramekins and set aside.

Preheat your oven to 325°

Using an electric mixer, beat the softened cream cheese with the eggs on low speed to combine. Increase the speed to medium-high and beat until completely incorporated. Add the condensed milk, evaporated milk, whole milk and vanilla extract and continue to beat together until everything is well incorporated, scraping down the sides of the bowl as necessary, about 2 to 3 minutes.

Ladle the custard over the caramel into the ramekins filling them up to 1/2-inch from the rim. Place a kitchen towel in a deep baking dish or roasting pan and place the ramekins in 2 rows on top of the towel. Place the baking dish in the oven and using a pitcher, pour enough hot water into the baking dish to reach sides of the ramekins, taking care not to get water in the

When you tap the edge of the ramekin the flan should still wobble in the center.

Carefully remove the baking dish from the oven, remove the foil and let the ramekins cool slightly. Using tongs remove the ramekins from the water and set on a towel to cool for at least 2 hours before serving. Once cooled completely, the flan can be refrigerated for up to 3 days before un-molding and serving.

To serve, run a thin knife around the inside edge of the ramekin to loosen the flan, and then invert onto a plate.

## Colonial Referendum

Recently, the **Colonial School Board** voted to hold another operating referendum vote for **Tues. June 4th**. The referendum vote is for 35 cents per \$100 of assessed property value. With the failed referendum on February 28<sup>th</sup>, we have listened to the community. The proposed tax increase has been reduced from 47 cents to 35 cents, with the primary focus of the proposed tax amount for operating needs.

Informational meetings are scheduled to hear the proposal and for the Board to hear from you.

May 13<sup>th</sup> 7PM **Gunning Bedford Middle School**  
May 28<sup>th</sup> 7PM **George Read Middle School**
