### A \$500,000 USDA Grant and Continued Safe Drinking Water for the City of New Castle

The Municipal Services Commission (MSC) has been awarded a \$500,000 Emergency & Imminent Community Water Assistance Grant (ECWAG) from the United States Department of Agriculture Rural Development office. The funds will be utilized by the Water Department to pay for the costs associated with the shut down of the City of New Castle's wells in August 2014 and the construction of a carbon filtration system. The permanent treatment facility is currently under construction with an expected completion timeframe of early September 2015. Samples are taken monthly of the City's water and the results show the temporary carbon filtration system is successfully removing the Perfluorooctane Sulfonate (PFOS) and Perfluorooctanoic acid (PFOA) contaminants from the water. The MSC will continue to monitor the water to ensure safe drinking water for its customers. If you have any questions or concerns regarding your drinking water please feel free to contact the MSC at 302-323-2330.

## POLICE BLOTTER

### BICYCLE PATROL OFFICERS MAKE A DRUG ARREST IN BATTERY PARK

Last Wednesday evening the New Castle City Police arrested a Wilmington area man on drug possession charges. Seasonal Police Officers observed a vehicle in the Battery Park parking lot on South Street around 9:15PM. The officers detected an odor of marijuana emanating from that vehicle. After a search of the car, officers recovered 13 baggies of heroin, drug paraphernalia and a small amount of Marijuana. Raheem B. Newman, 25, of the 900 block of Clifford Brown Walk was charged with Possession of Heroin and Marijuana, as well as Possession of Drug Paraphernalia. Newman was released on unsecured bond pending a court hearing.

### The First Father's Day

Sonora Louise Smart Dodd of Spokane, Washington, came up with the idea of a day to honor fathers in 1909. Her own father, William Smart, was a Civil War veteran whose wife had died in childbirth. Dodd thought about the difficulties her father had faced as he struggled to raise his six motherless children on a farm in eastern Washington, and she set her mind to honoring all fathers. She approached local churches, and on Sunday, June 19, 1910, Spokane ministers celebrated the first Father's Day by reminding their congregations of the appreciation fathers deserve and the duties fathers owe to their families. In 1916 President Woodrow Wilson took part in a Father's Day celebration by pressing a button in the White House that unfurled a flag in Spokane. In 1924 Calvin Coolidge recommended the widespread observance of the holiday to honor dads and "impress upon fathers the full measure of their obligations."
