Upcoming Delaware Street Lane Closures / Restrictions

On Tuesday, July 9, the City's contractor Cirillo Brothers will begin replacing the storm sewer, believed to be about a century old, in Delaware Street between 2nd Street and The Strand. This work will necessitate excavating and removing the existing pipe, plugging abandoned laterals, and placing a new pipe. The contractor will need to close both lanes of Delaware Street to vehicular traffic between 2nd Street and The Strand, beginning at 7:00 a.m. each day, to perform the work. The contractor may also close the sidewalk on the north side of this section of road to not endanger the public but the southside sidewalk will remain open. All closures will be reopened by 5:00 p.m. each day, no closures will occur on weekends. The work is estimated to take between three and six weeks. Multiple unknowns do not allow for a more precise schedule.

During the lane closures, multiple warning signs will be placed and flaggers will be positioned at the intersections of Harmony Street and The Strand, in the middle of the Strand, and The Strand and Delaware Street. Local traffic will be allowed to pass at Harmony Street but through traffic will not. Residents of The Strand are asked to minimize their car usage as much as possible during this time period. In instances when usage is unavoidable, residents leaving their homes should proceed to Delaware Street as always where the flagger will direct them to turnaround at the Wharf and then proceed up The Strand. The flagger at Harmony Street will block entering traffic until the exiting vehicle passes. The City understands that this may be inconvenient to some but with one-way traffic on area streets, this was determined to be the best approach.

Residents are asked to obey the flaggers' instructions.

Residents on Dalby Alley will not be able to access Dalby Alley, and of course there will be no parking on Delaware Street between the Strand and Second, during these times. Parked cars will be towed.

A second phase of work, not yet scheduled, will involve lining of the storm sewer between The Strand and the outfall at the River. This work will not involve excavations and will last just a few days but will necessitate temporary lane restrictions. Also, the larger project of restoring the pavement and curbs on Delaware Street from 3rd Street to the Wharf will be let for bidding in coming weeks with the intent of beginning work later in the fall. This work will last for many months and will necessitate both temporary lane restrictions as well as full closures at varying times. The City will provide more information for both as dates get closer.

Please contact the City office at 322-9801 with any questions or concerns.

LOBSTER TAILS

Lobster tail is kinda expensive, and therefore it seems pretty fancy. But it's actually incredibly easy to make. This recipe comes together in under 30 minutes and is the perfect dinner to make for a special occasion. Since lobster is very rich, we'd much prefer a bright and fresh *arugula salad*.
gonna need

1/4 c. melted butter - 1 tbsp. lemon juice - 1/2 tsp. lemon zest - 2 tbsp. freshly chopped chives, plus more for garnish - 2 tbsp. freshly chopped parsley, plus more for garnish - 1 clove garlic, minced - 1/4 tsp. kosher salt, plus more for seasoning - 4 (8-oz.) lobster tails - Extra-virgin olive oil, for brushing - Freshly ground black pepper - Pinch of crushed red pepper flakes - Lemon wedges, for serving

let's do it!

1. Preheat a grill or grill pan over medium heat. In a small bowl, whisk together melted butter, lemon juice, zest, chives, parsley, garlic, and salt.
2. Using kitchen shears, cut top of lobster shell from meaty portion of tail. Using a knife, cut halfway through meat down the center, without cutting all the way through. Insert a skewer lengthwise through the lobster to keep lobster from curling up when cooked.
3. Brush all over with oil and season with salt and pepper. Grill flesh side down until lightly charred, about 6 minutes. Flip lobster and dollop a spoonful of butter mixture on flesh side. Grill until just cooked through, about 5 minutes more.
4. Remove lobster from grill and sprinkle with red pepper flakes (optional). Serve with lemon wedges. SEE THE VIDEO

New City Budget Approved

On Wednesday June 19th, the City Council passed its fiscal year 2020 budget that includes \$6,303,271 in general funds and a \$730,000 grant budget without an increase in the current tax rate. The new fiscal year begins July 1st. Budget highlights include wage adjustments for city employees, contributions to local nonprofits including Good Will Fire Company, funds to purchase a new garbage truck and police car, and infrastructure improvements for streets, storm drainage, and handicapped curbs. It also includes funding for a feasibility study to consider migration of administrative services to the Municipal Boulevard complex. The Municipal Services Commission will consider joining the City in this study at their next meeting.

The approved budget is posted on the City website under Departments/Budgets & Audits.

Great News! The Cabinet Committee on State Planning Issues reviewed the Downtown Development District (DDD) application that the City submitted in May and will recommend to the Governor that the City of New Castle be selected. The Governor will review this recommendation and decide whether or not to approve in 1-2 months. The DDD program includes rebates up to 20% of hard construction projects and a host of other benefits for homeowners and businesses.
