As if the storm sewer replacement on Delaware Street isn't enough, another big project on Route 141 at Jay Drive is on the horizon. The project will extend from the Route 141-I-95-295 interchange and run south to Commons Boulevard and to Jay Drive across from New Castle County Airport and the Air National Guard base. Another low bidder, R.E. Pierson's bid came in at \$69.9 million, came in about \$4.5 million below the Delaware Department of Transportation engineer's estimate. (*Smell something*)? At least it's not Mumford and Miller! Starting date unknown. 943 days of estimated days of improvements. That's 2.58 years!

Upcoming Delaware Street Lane Closures / Restrictions

On Tuesday, July 9, the City's contractor Cirillo Brothers will begin replacing the storm sewer, believed to be about a century old, in Delaware Street between 2nd Street and The Strand. This work will necessitate excavating and removing the existing pipe, plugging abandoned laterals, and placing a new pipe. The contractor will need to close

both lanes of Delaware Street to vehicular traffic between 2nd Street and The Strand, beginning at 7:00 a.m. each day, to perform the work. The contractor may also close the sidewalk on the north side of this section of road to not endanger the public but the southside sidewalk will remain open. All closures will be reopened by 5:00 p.m. each day, no closures will occur on weekends. The work is estimated to take between three and six weeks. Multiple unknowns do not allow for a more precise schedule.

During the lane closures, multiple warning signs will be placed and flaggers will be positioned at the intersections of Harmony Street and The Strand, in the middle of the Strand, and The Strand and Delaware Street. Local traffic will be allowed to pass at Harmony Street but through traffic will not. Residents of The Strand are asked to minimize their car usage as much as possible during this time period. In instances when usage is unavoidable, residents leaving their homes should proceed to Delaware Street as always where the flagger will direct them to turn around at the Wharf and then proceed up The Strand. The flagger at Harmony Street will block entering traffic until the exiting vehicle passes. The City understands that this may be inconvenient to some but with one-way traffic on area streets, this was determined to be the best approach.

Residents are asked to obey the flaggers' instructions.

Residents on Dalby Alley will not be able to access Dalby Alley, and of course there will be no parking on Delaware Street between the Strand and Second, during these times. Parked cars will be towed.

A second phase of work, not yet scheduled, will involve lining of the storm sewer between The Strand and the outfall at the River. This work will not involve excavations and will last just a few days but will necessitate temporary lane restrictions. Also, the larger project of restoring the pavement and curbs on Delaware Street from 3rd Street to the Wharf will be let for bidding in coming weeks with the intent of beginning work later in the fall. This work will last for many months and will necessitate both temporary lane restrictions as well as full closures at varying times. The City will provide more information for both as dates get closer.

Please contact the City office at 322-9801 with any questions or concerns.

THE VESPER

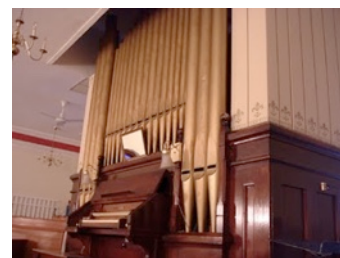

also known as the Vesper Martini, was made famous by James Bond. The cocktail best known for being ordered "shaken not stirred" was invented by none other than Bond author Ian Fleming. The Vesper first appeared in his book "Casino Royale," which was published in 1953 and gets its name from fictional double agent Vesper Lynd.

3 oz Gin
1 oz Vodka
1/2 oz Lillet blanc apéritif
Add all the ingredients into a mixing glass with ice and stir (or, if preparing the Bond way, shake). Strain into a chilled cocktail glass. Twist a slice of lemon peel over the drink, rub along the rim of the glass, and drop it in.

Morsbags Sew-a-Thon

Twenty - two sewers, cutters, ironers, and supervisors met last evening to make grocery bags to be donated to St Patrick's Food Bank. Fifteen bags were completed and many more sets were cut and taken home to be completed. Everyone seemed to be enjoying themselves, despite the broken air conditioner, and several asked if we plan to do it again. We now have several other organizations that also want bags so we will be continuing this project throughout the summer. Donations of fabric are still being accepted. We can use old draperies or tablecloths, as well as remnants that are cluttering your house for which you no longer have a use.

Holiday

Street Sweeping is from 7-10 am; please remember to move your vehicles. If a holiday falls on your Street Sweeping day it will not be made up. There will be no street sweeping the 4th week of November or December. Thank you for your help with this important program; street sweeping helps remove debris from the gutter and roadsides that would otherwise go into storm drains, then into the river and wetland areas.

The Negro Baseball League

Presentation by Ron Whittington

Through a first-person interpretation of Baseball Hall of Famer William “Judy” Johnson, learn the history of the Negro Baseball Leagues prior to Jackie Robinson’s participation in the major leagues of American baseball.

Saturday, July 20th 1:00 pm

New Castle Court House Museum

Program is free but reservations are advised. Call 302-323-4453
