Civil War Macaroni and Cheese

The *original* recipe for 'Macaroni Cheese' reads as follows:

"Boil the macaroni in milk; put in the stewpan butter, cheese, and seasoning; when melted, pour into the macaroni, putting breadcrumbs over, which brown before the fire all together."

As you can see, it is not very precise about ingredient measurements so we are free to interpret as best as we can. During Civil War they used long, straight "pipe macaroni" (in Italy called Bucatini) for this recipe. I didn't have them on hand so I used penne instead. If one wants to be completely authentic, one should make their own macaroni and probably use Parmesan cheese.

What to used

- 2 1/2 cups macaroni (or penne)
- 4 cups milk
- 3 Tbsp butter
- 1 cup Parmesan cheese
- ground pepper (black or white)
- a pinch of nutmeg
- 1/2 cup bread crumbs
- a pinch of paprika

What you do

- Boil macaroni noodles for about 15 minutes in milk with a pinch of salt. Be careful since the milk could boil over.
- When macaroni are done, and they absorb most of the milk, add butter, parmesan cheese, pepper and nutmeg to the pot. Stir until butter and cheese melt.
- Transfer to a buttered baking dish (volume 4 cups or 1 liter). Combine bread crumbs with paprika and sprinkle over macaroni. Bake in 350F oven for about 20 minutes or until breadcrumbs become lightly brown.

Old Fashioned recipes like this homemade Macaroni and Cheese comes from

1861 Civil War recipes cookbook

Don't let the summer pass without a little peach action

Peach Tequila Melba

is a sweet, creamy cocktail that combines tequila, Chambord and grilled peaches for a thick cocktail fit for late summer. For those of you who don't mind putting a little bit of work into a great cocktail experience, what can we say?

you'll need ♦ 2 oz. Tequila ♦ 1 oz. Cream ♦ 3/4 oz. Chambord ♦ 3 peach slices -- grilled

do it!

- Grill (or pan sear) your peaches.
- Add two slices to your cocktail shaker with tequila.
- Muddle, mash, maim and destroy.
- Add cream and Chambord with ice.
- Shake. Shake a lot.
- These creamy drinks love extra shaking.
- Cease and desist your shaking.
- Add ice to your old-fashioned glass.
- Strain shaken cocktail into glass.
- Garnish with final peach slice.

Duke

A most valued friend to many (a lovable character to even more) here in New Castle, it is sad to report that Duke Wilson died on Saturday morning August 1st.

Duke lost his battle with cancer while a patient at Arnot-Ogden Medical Center in Elmira, NY, his hometown.

Duke is survived by his parents, Ross and Beatrice Wilson and his sister, Susan Argotsinger, of Amsterdam, NY.

A Navy veteran, Duke will lie in rest at the Woodlawn National Cemetery, with full military honors.

Services were held last Thursday, August 6th at the at Caywood's Funeral Home & Gardens, 1126 Broadway, Southport, Elmira, NY 14904. Letters of remembrance may be sent there.

Memorials may be directed to the American Cancer Society or the charity of one's choice in his memory.

The fondest memories remain in the hearts of all you touched and helped here in New Castle.

COASTAL ZONE NOTICE

Coastal Zone Act Permit Re:

Techmer Engineered Solutions, LLC

Office of the Secretary

Under the authority of the Coastal Zone Act (7 Del. Code, Chap. 70) and the "Regulations Governing Delaware's Coastal Zone," the Secretary of the Department of Natural Resources and Environmental Control (DNREC) has issued a Coastal Zone Act Permit to Techmer Engineered Solutions, LLC ("Techmer").

Techmer submitted a permit application on June 1, 2015, to manufacture uniform, compounded, engineering plastic resin pellets in an existing steel and masonry commercial structure located at

1600 Johnson Way, Centerpoint Business Complex, New Castle.

A public hearing was held on July 21, 2015, in the DNREC facility at 391 Lukens Drive, New Castle. Environmental impacts to air quality are anticipated; the applicant has obtained eight (8) VOC credits (four (4) ozone season and four (4) non-ozone season) from the Delaware Economic Development Office as their offset.

Anyone wishing to appeal this decision to the State Coastal Zone Industrial Control Board must do so by August 19, 2015.

An appeal form may be acquired by calling Vicki Ward at (302) 739-9000. There is a \$100 appeal application fee. If no appeal is received within the appeal period, this decision becomes final.

SUN SHINES ON WEST 3RD

**16' and

**You'll notice our State flag
waving in the sunflower patch above.**

When Senator Carper visited Penn's Place last Friday he expounded the virtues of Delaware and how little America knows of our gem of a home. *(he was wearing the obligatory blue and gold necktie).*

The colonial blue field and the buff colored diamond were said, by members of the commission established to design the state flag, **to represent the colors of a uniform worn by General George Washington.** And, indeed, some regiments of the Revolution wore blue coats with buff trim. The diamond is a reference to an early state nickname, the Diamond State, so given because of Delaware's small size and great value, evidenced in its geographical position on the Atlantic Ocean and its leadership contributions.

Really simple.

Glass bowl + ceramic plate + popcorn kernels = perfectly popped popcorn in the microwave.
No bag. No butter or oil. Nothing to throw away afterward. And even no un-popped kernels.

Stay with me now.

Take 1/4 cup of dry popcorn kernels and place in the bottom of a microwave-safe glass bowl. Place a microwave-safe plate on top of the bowl. Plate should be wide enough to go beyond the rim of the bowl.

Microwave for 2 minutes 45 seconds. Watch in glory as your popcorn pops perfectly into little puffs of heaven.

Cobblestones

is growing!

Every Sunday morning, **630 plus "Cobbles"** (and some 150-200 plus views on Facebook) receive their weekly dose of New Castle's comings and goings and other good and interesting stuff!

The goal and scope of Cobblestones evolves.
Community news and history is the tenant.
Serving community organizations, churches and individuals with a voice is our mission. Support from paid advertisers is essential and offers area businesses an economical manner in which to reach customers and introduce themselves to new members to our community.

Space for **commercial/business** ads require a donation of **\$50** to cover time and materials.

That covers four random insertions.

Checks made to me personally.

Keeping in mind the 'community fun philosophy'
Cobblestones is free of political or social issue advertising.

Ads should be a moderate size. A jpg or PDF works the best. Let me know early in the week an approx. size with a final copy Thursday. If it's just a listing for "events", please send me copy as soon as possible.

Personally, I would like to thank everyone for your interest and participation in the growing Cobblestones family. Anything I can do to help, please let me know.

Delaware Greenways recently hosted the Delaware Urban Farm and Food Coalition quarterly meeting at the barn at HPF. The DEUFFC is a local organization that comprises of the state's leaders in the urban agriculture movement with a goal of supporting "healthy, vibrant, sustainable communities." As part of a collective effort, the members of the coalition work closely with their communities and government to ensure access to fresh produce, especially within minority neighborhoods.

The meeting was headed by co-chairs, Carrie Murphy of the University of Delaware Cooperative Extension and Gail Hermenau. The meeting was followed up with a tour of Historic Penn Farm.

Would you be interested in a plot at Penn Farm to grow you veggies?

There's a possibility, if enough interest is shown, of providing plots on the Farm for the personal use to New Castle residents. If you like the idea, send a note to flytedb13@comcast.net with **PLOT GARDEN** in the subject line. Tell what you would like to grow, size plot expected, concerns you may have and what rules you would suggest. The Cobble staff will compile the the results and present them to **Delaware Greenways**.
