Ambitious New Event Planned

A^{NEW} Day in Old New Castle

This young Miss is looking forward to it!

We are fortunate to have invited many generations of visitors to "A Day in Old New Castle", the oldest continuous Home & Garden Tour in America, a proud tradition for ninety years.

Immanuel Episcopal Church started the event in 1924 as a fundraiser for its maintenance fund. Occurring annually on the 3rd Saturday of May, visitors enjoy a day of entertainment and hospitality as Historic New Castle opens the doors and gates to some of its best-known homes and gardens. "For

2015, we've brought together an unprecedented alliance of New Castle's civic organizations, businesses and government representatives to revitalize our biggest Spring event", said

Valerie Windle, steering committee chairperson.

Members of the committee met last Monday to plan for 2015. They, along with the community at large, extends their gratitude to Immanuel for their genuine love for the event and their hard

work and investment over the years.

The ADIONC 2015 Committee appreciates the opportunity to carry on this event into its 91st year and beyond.

Private homes and gardens will be open, new and traditional events, music and activities will be planned!

Over the next few months, look for more information on this event. Volunteers from all New Castle neighborhoods are needed. There are many committees that will be looking for enthusiastic members, and residents and business owners of the community are encouraged to participate.

If you'd like to share your talents and time with the committee, or if you have questions, please email adionc1924@gmail.com.

Why? The August Moon becomes full not only on the same day as perigee, but also in the same hour. As a result, the Moon will be as much as 14 percent closer and 30 percent brighter than other full Moons of the year. [Here is a quick definition of both perigee and apogee.](#)

Bake dip at 350° degrees for 1 hour. Serve with reserved bread cubes, crackers, or potato chips

“The cures we want aren't going to fall from the sky. We have to get ladders and climb up and get them.” – Michael J. Fox

WHAT IS A HERO?

A hero is someone who leads by example and uses his positive attitude to affect the world around him. My hero is my father Tom McDowell. Throughout his 9 year battle with Parkinson's disease, he has been a stellar example of strength and bravery to everyone around him. As a Korean War Marine veteran, Dad has faced each challenge with a resolute “Semper Fi” in his fight against this chronic, degenerative neurological disorder for which there is no known cure.

Dad taught me the importance of family and to work hard for what I believe in. That's why I've joined **Team Fox** and will embark on a bicycle trip across America in honor of his strength and to raise money for a cure.

On August 24th, I will dip the back wheel of my bicycle in the Pacific Ocean near Portland, OR and pedal 3600 miles to Portland, ME where I will dip my front wheel into the Atlantic Ocean on October 6th.

I'm dedicating my efforts to **The Michael J. Fox Foundation (MJFF)** because I believe that with the power of many we can find a cure for Parkinson's. Please join me as a member of **Team Fox** to honor Dad and the millions of others living with Parkinson's disease. Membership has its privileges and wouldn't finding a cure be the ultimate reward?! My personal goal is to raise \$25,000. Please help me reach my goal by making a contribution to this worthy cause now.

I'll be posting updates on a regular basis so you can follow me as I pedal Portland to Portland for Parkinson's! 'd love to hear from you along the way.

Learn and Teach the Ancient Art of Tai Chi

Tai Chi is a Chinese exercise routine that coordinates flowing movements with the breath. While originally practiced as a martial art, Tai Chi has become one of the most popular health exercises in the world and has been proven effective in alleviating a wide variety of health conditions. Research has even shown that tai chi can improve balance and reduce the risk of falling among older adults.

RSVP will soon be offering a tai chi-based, fall prevention program developed by researchers at the Oregon Research Institute called “**Tai Ji Quan: Moving for Better Balance.**” Volunteers are needed to undergo training and then teach a shortened, 8-posture Yang Style Tai Chi form to older adults with poor balance and a history of falls at community locations throughout New Castle County. Experience teaching physical activity to older adults and/or prior study of tai chi is preferred. RSVP, part of the State Office of Volunteerism will present an information session about Tai Ji Quan: Moving for Better Balance on

Tuesday, August 12th at 1pm.
