Garden of the Week

It is a big mistake not to plant a few dahlias. This beauty was taken last week at Immanuel On the Green. This Dahlia is known as a **"Dinner Plate Dahlia"**.

Its name is "Moonrise". It measures 10 inches and stands 4 foot tall. There are presently 3 flowers on this one plant. There are others. It is worth stopping by to see it on the Academy side of the cemetery wall.

Bourbon Peach Cobbler

gather together...

8 peaches, peeled and sliced, about 6 to 8 c.s
 1/4 c. bourbon
 3/4 c. sugar, divided, plus more for dusting
 2 tbsps cornstarch
 1 tsp ground cinnamon
 1 1/2 c.s all-purpose flour
 2 tps baking powder
 1/2 tsp kosher salt
 12 tps (1 1/2 sticks) cold unsalted butter, plus 2 tps for skillet
 Heavy cream, plus more for brushing

make it happen...

Heat your oven to 375°

In a large bowl add the peaches, bourbon, 1/4 c. sugar, cornstarch, and cinnamon and mix well to coat the peaches evenly; set aside.

Prepare the dumplings: Into food processor add the flour, 1/2 c. sugar, baking powder, and salt. Cut 12 tps (1 1/2 sticks) butter into small pieces. Add it to the flour mixture and pulse until the mixture looks like wet sand. Mix just until the dough comes together. Don't overwork; the dough should be slightly sticky but manageable.

In a 10-inch cast iron skillet over medium-low heat, melt the remaining 2 tps butter. Add the peaches and cook gently until heated through, about 5 minutes. Drop the dough by tsp fulls over the warm peaches. There can be gaps, the dough will puff up and spread out as it bakes. Brush the top with some heavy cream and sprinkle with some sugar; put it into the oven on a baking sheet to catch any drips. Cook for 40 to 45 minutes until the top is browned and the fruit is bubbling. *Recipe courtesy Tyler Florence*

STRAWBERRY ORANGE daiquiri

"This delicious frozen treat made with fresh strawberries and oranges will keep your thirst at bay all summer long."

1 orange
 1/4 c. sugar
 1/4 c. water
 1 pint strawberries
 4 oz rum and of course Ice

Using a vegetable peeler or zester, remove the zest of the orange, taking care to leave the pith behind.

In a small saucepan over medium heat whisk together the sugar with 1/4 cup water and the orange zest. Bring to a simmer and remove from heat. Cool to room temperature. Strain to remove orange zest.

Reserve 4 strawberries for garnish and remove the hulls and roughly chop the remainder. Add the strawberries with the juice of the orange to a blender and fill with ice. Add the cooled orange simple syrup and blend until smooth. Add the rum, if desired, and blend. Pour into glasses and garnish with reserved strawberries.
