## Mayor Jimmy Gambacorta

with runner-up **Pete Toner** at Tuesday's City Council meeting. Mayor Gambacorta will serve the remaining months of Don Reese's term until the next election April 2019. It was an awkward process. Four council members (*in alpha order*) were asked to nominate one of eight contenders. DiMondi - **Dr. Pad**; Leary - **R. Smith**; Quaranta - **P. Toner**; Platt - **V. Gambacorta**. When asked for a second to each nomination and vote (*again in alpha order*) Mr. Gambacorta received the necessary votes (4-1). The sad part of this process was four willing and talented citizens were left out. Councilman DiMondi wanted to ask each contender if they would use their veto power on the Parking Lot Ordinance 510. Council President Ratchford said that was an inappropriate question and wouldn't allow it.

See the Weekly for all the City Council news.

## 2017 PRESEASON SCHEDULE

WEEK 1	WEEK 2	WEEK 3	WEEK 4
L 24-9	8/17	8/25	8/31

So the big day - **Monday, August 21st** is nearly here. Are you **all ready** for the total eclipse of the sun?

### Eye Safety During a Total Solar Eclipse

It is never safe to look directly at the sun's rays - even if the sun is partly obscured. When watching a partial eclipse you must wear eclipse glasses at all times if you want to face the sun, or use an **alternate indirect method**. This also applies during a total eclipse up until the time when the sun is completely and totally blocked. During the short time when the moon completely obscures the sun - known as the period of totality - it is safe to look directly at the star, but it's crucial that you know when to take off and put back on your glasses. **We will see 80% of totality.**

**First and foremost:** Check for local information on timing of when the total eclipse will begin and end. [NASA's page of eclipse times](#) is a good place to start.

# baked parmesan tomatoes

*This recipe isn't only easy and fast, it also is filling, delicious, and the perfect healthy, appetizer or side dish. There are only a few calories per halved tomato!*

- 4 large tomatoes (use heirlooms if they're in season!)
- 1/3 cup parmesan cheese block, freshly grated
- 1/4 cup powdered parmesan
- 3 tbsp fresh basil, finely chopped
- 1 tsp salt
- 1/4 tsp pepper
- 4 garlic cloves minced into a paste
- 1/2 tsp crushed chili pepper
- 1.5 tbsp olive oil

Make oven happy at 400°. Prepare your tomatoes: Wash and cut them in half and place on a baking dish lined with parchment paper cut side up. Season tomato with salt and pepper. Mix cheeses, basil, garlic, crushed chili pepper and olive oil. Then, evenly spread mixture on top of each tomato. For added crunch add some breadcrumbs.

Bake in the oven for 15 minutes until juices just start to bubble but tomato still holds its shape.
