## SPECIAL DELIVERY

*The final Battery Park Concert of the season was a humdinger! Special Delivery played before an enthusiastic crowd under a comfortably cloudy ceiling. With a couple rain-outs and a heat related cancelation, this 2019 season was a great success!*

### It's Time To Go BACK TO SCHOOL

The New Castle City Police would like to remind drivers to be aware of school buses on the roadways and children crossing the streets. Vehicles are required to stop for school buses when their red lights are flashing and the stop sign is posted. Drivers must adhere to Crossing Guards' directions in order for children to safely cross the streets. During school zone hours, the posted speed limit is 20 mph. New Castle City Police will be enforcing laws that keep our children safe as they return to school.

## COLD BEEF TENDERLOIN WITH TOMATOES AND CUCUMBERS

*For this dinner-served-cold recipe, beef tenderloin is precious enough to baby on a two-zone grill: Sear it over high heat, then transfer it to the cooler side and turn it often to hit a perfect medium-rare.*

### Stuff you'll need

¼ cup extra-virgin olive oil, plus more - 1 3½–4-lb. beef tenderloin - 3 tbsp whole black peppercorns, coarsely crushed - 2 tbsp kosher salt - 3 lb. heirloom tomatoes (6–8), sliced into ¼"-thick rounds  
6 mini seedless or Persian cucumbers, sliced into ¼"-thick rounds  
1 cup basil leaves - Sherry vinegar or red wine vinegar (for serving Flaky sea salt and Freshly ground black pepper - [Lemony Yogurt Sauce](#) and/or [Grilled Serrano Salsa Verde](#) (for serving)

### Ready, set, cook!

Prepare a grill for 2-zone heat (for a charcoal grill, bank two-thirds of coals over one side of grill and scatter remaining coals over the other side; for a gas grill, set one burner to high heat and the remaining burners to medium-low heat). Clean and lightly oil grate. Rub tenderloin with ¼ cup oil and sprinkle with peppercorns and kosher salt. Grill over hottest part of grill, turning often, until lightly charred on all sides, about 5 minutes. Move to cooler part and continue to grill, turning often, until an instant-read thermometer inserted into the thickest part registers 120° for medium-rare, 25–30 minutes longer. Transfer to a platter and let cool. Just before serving, thinly slice tenderloin on a large cutting board you can also serve from (or transfer back to platter). Arrange tomato slices, cucumber slices, and basil alongside. Drizzle tomatoes and cucumbers very lightly with vinegar. Drizzle oil over everything and season liberally with sea salt and ground pepper. Serve wit [Lemony Yogurt Sauce](#) and/or [Grilled Serrano Salsa Verde](#) alongside.

**Do Ahead:** Beef tenderloin can be grilled 1 day ahead. As soon as it is cool, wrap tightly in plastic (do not slice) and chill until ready to serve.
