**Jamie Stewart.** A long time friend who many had known over years, she was quite the character as many of you know. She always stuck to her opinion and was a person who tried to rationally defend it, a quality that is lacking in so many persons these days. When a mishap caused her Mollie to live at our house for a few months it was quite evident that the pup was from a loving household. There are many memories of Jamie, many of which are funny, endearing and many that out of respect should just pass along with her. I'm sure she is getting reacquainted with many who would be surprised to have her join them at this early time. Like it or not, she's yours now and a memory to all of us until we meet again. Decades of memories and friendship. We celebrated many special occasions together, enjoyed countless chats and fun times, shared a few Easters or Thanksgivings, many happy hours, and walks about town. She was a good soul and such an important part of the fabric of Old New Castle and its community. Be well in your new home. You will be missed.

## The outage

the other night was due to a Delmarva Power guy wire which came loose and hit the MSC's distribution lines and caused the outage. MSC crews needed to switch load to a different circuit to restore power.

**MSC crews communicated to Delmarva regarding the repairs they need to perform.**

## New Optional Mailing Address for City Residents

The City of New Castle today announced that, through an agreement with the United States Postal Service, city residents may now begin using

“Historic New Castle” as their mailing address.

The city has been concerned for some time about the confusion in the public’s mind between the city and the New Castle 19720 ZIP Code. Incidents in the 62,000 resident ZIP Code area are invariably reported by the State Police as happening ‘in New Castle’ (population 5,200). This means that many more criminal incidents are reported as happening in New Castle than there should be. There were 42 such incidents in a one year period.

The city appealed to the USPS for a new ZIP Code, but was told that operational issues make that impossible. The USPS offered instead the use of an alternate name. City Council agreed and has chosen the name “Historic New Castle.” Council hopes that this change will help make a distinction in all types of statistics, while it continues to address the issue of police reporting.

This change should also help reduce confusion among some local residents regarding whether they live in the city or not. This has been a particular problem in terms of elections and government services.

The name “Historic New Castle” is already widely used and recognized. It underlines New Castle’s status as Delaware’s oldest city, incorporated in 1672.

It is important to note that the new address applies only within the boundaries of the city and that use of the address is totally optional. Residents who wish to can continue to use “New Castle.” For further information, please contact Councilman **Russell Smith at 302-322-9801.**
