Cobblestones is growing!

Every Sunday morning, **925 plus "Cobbles"** (and some **200 plus views on Facebook**) receive their weekly dose of New Castle's comings and goings and other good and interesting stuff!

The goal and scope of Cobblestones evolves. Community news and history is the tenet. Serving community organizations, churches and individuals with a voice is our mission. Support from paid advertisers is essential and offers area businesses an economical manner to reach customers and introduce themselves to new members to our community.

Space for **commercial/business** ads require a donation of **\$50** to cover time and materials.

That covers four **random** insertions.

Checks made to me personally.

Keeping in mind the 'community fun philosophy'
Cobblestones is free of political or social issue advertising.

Ads should be a moderate size. A jpg or PDF works the best. Let me know early in the week an approx. size with a final copy Thursday. If it's just a listing for "events", please send me copy as soon as possible.

Personally, I would like to thank everyone for your interest and participation in the growing Cobblestones family.
Anything I can do to help, please let me know.

Game Night

Fri., Sept. 15th 7 - 9 PM Delaware History Museum

Who doesn't enjoy a little lighthearted competition with friends around a game of Monopoly, Risk, Scrabble, or Trouble?

Spend your Friday night with the Delaware Historical Society and play your favorite! Board Games are extremely popular and while we may think of them as a recent pastime, their history is much longer and broader than American 20th century living rooms. In fact, versions of many games date back to ancient civilizations, including the Mesopotamians, Egyptians, and Aztecs. A selection of the roughly thirty board games in the Society's object collections that date from the late 18th century to the present will be on hand to view while modern favorites will be available to play.

Free parking provided by Colonial Sixth and Shipley streets.

Reservations required: (302) 655-7161
