“We couldn't be more thrilled with the turn-out, and a great time was had by all- especially Mickey!”

- Molly Merrill

Mickey Fest organizer, Melissa Ferraro with Molly and Mickey Merrill. [More Info](#)

On a weather perfect Saturday, New Castle opened its streets and hearts to help MICKEY. Between 3,500 and 4,000 friends enjoyed the bands, rides, food and camaraderie to raise funds for a cure and treatments to help 5 year-old Mickey Merrill and the thousands of other children with Sanfilippo Syndrome.

INFORMATION TO PROTECT OUR COMMUNITIES

Delaware Street **UPDATE**

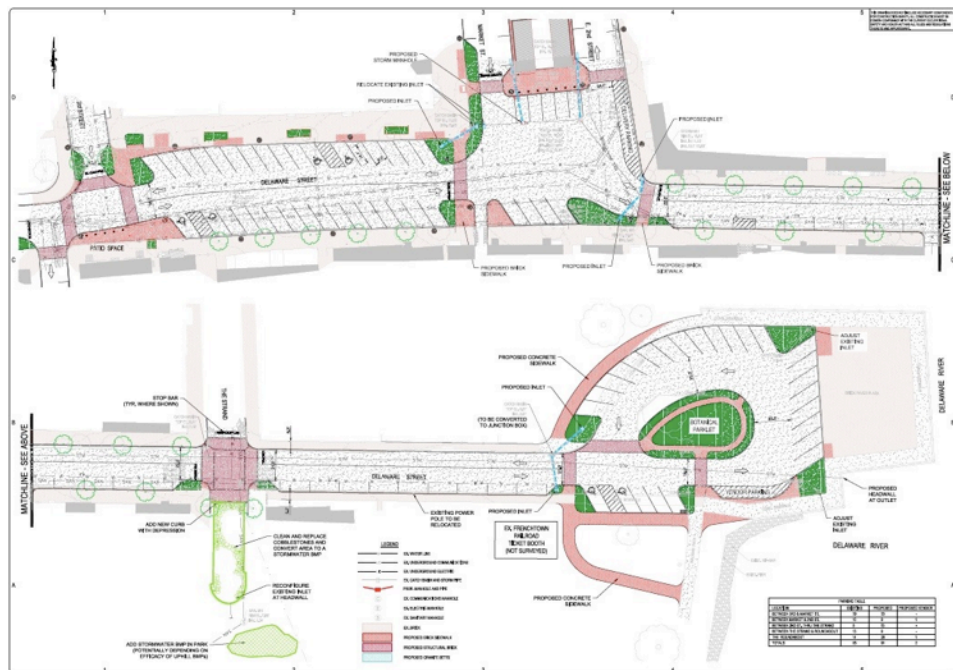

Many agree with Mayor Quaranta's support for keeping the Delaware Street renovation simple.

No bump outs, no widening.

Dave Athey, City Engineer, presented the slide show on street redesign... did not present as well as he could have. To questions from Council, he must have said a half dozen times that he should have clarified his previous point. One shop owner rhetorically wondered about how much was spent on this study. It would have been so much cheaper for that person to just take the time to sit in front of any shop/business for a week and observe the truck deliveries, the uneventful crossings of our square by pedestrians and the oh so frequent ignoring of the stop sign here by motorists. One shop owner made the point that a bump out, green or otherwise, planned for in front of the Terry House would complicate the already contorted gymnastics of multiple delivery trucks and present more dangers as vehicles try to pass them on the way to and from the wharf.

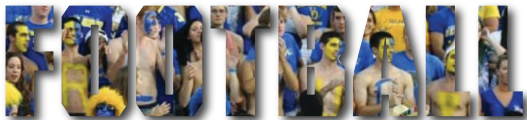

In the end, Council appears to have decided against widening Delaware Street from 2nd to the wharf. Bump outs are out or almost except for that green area at Terry and paving might even be afforded on Delaware up to 4th Street.

But there will be an additional Council meeting tomorrow **Mon. Sept 16th at 6 pm** to continue the discussion.

“People who work together will win, whether it be against complex football defenses, or the problems of modern society.”
