

Thank You BoA

Bank of America employees visited Old New Castle on Friday, September 13, for their annual volunteer outing to assist in keeping Battery Park and the beach areas safe and clean. In keeping with the bank's commitment to improve communities and make differences, Managers Crystal Clough and Kevin Fenimore registered 90 Bank of America employees for the efforts. Donning gloves and signature Bank of America red shirts, they fanned out over the entire Battery Park and coastal areas. They enjoy their annual event at Battery Park and we appreciate their assistance.

daffodils

are suitable for planting between shrubs or in a border, or for forcing blooms indoors. They also look wonderful in a woodland garden and in large groves. You'll find that many gardeners plant the bulbs not just by the dozens but by the hundreds! Select high-quality daffodil bulbs that have not been dried out. The larger the bulb, the better.

Plant bulbs 1-1/2 to 5 times their own depth.

Where winters are severe, make sure there are at least 3 inches of soil covering the bulb.

Daffodils will tolerate some crowding, but they prefer to be spaced about 3 to 6 inches apart.

It may help to sprinkle a little bulb fertilizer in the hole during planting. [Learn more about preparing soil for planting.](#)
