Community Celebration for retiring State Senator Dori Connor

Please join your friends and neighbors in thanking retiring **Senator Dori Connor** for her years of service to our community as our senator from the 12th district. The open house reception with light refreshments will be held on

Fri., January 11th ~ 6-8pm
at the **New Castle Public Library**.

The event is being organized by friends of Dori including Corky and Jo Viola, Ellie and Monty Gerhart, Sue Seastrom, Sally Monigle, Kathy Tidball, Sally Denton and Linda Ratchford. If you would like to contribute or assist, please contact them directly.

Senator Connor was instrumental in obtaining state funding for our recent library expansion and renovation in addition to restoration of state buildings on the Green in New Castle.

She is a long-time supporter for our community and its citizens and has worked tirelessly to serve her constituents. She was always proud to be our partner . . . and voice in Dover.

She served in the State Senate 1997-2012. Prior to being elected State Senator, she worked side by side with her late husband State Senator Robert Connor for 23 years in constituent and community service. She earned a music education degree and was a music educator in the Colonial School District for eleven years prior to serving in the state legislature.

Please stop by and thank Dori for her service.

We are encouraging well-wishers to bring a personal note or card.

winter FruitSalad Ingredients

- ♦ 1/2 cup sugar
- ♦ 1 1-inch piece ginger, peeled and thinly sliced
- ♦ 1 vanilla bean, split lengthwise and seeds scraped out
- ♦ 1 lemon
- ♦ 5 large navel or blood oranges
- ♦ 2 mangoes, peeled and diced
- ♦ 2 firm bananas, peeled and diced
- ♦ 5 kiwis, peeled and diced
- ♦ 12 kumquats, very thinly sliced crosswise, seeds removed
- ♦ 1 cup pomegranate seeds (from 1 pomegranate)

Directions

Combine the sugar, 2 cups water, the ginger and vanilla seeds and pod in a saucepan. Use a vegetable peeler

to remove wide strips of zest from the lemon and 1 orange, add to the saucepan and bring to a boil over medium-high heat. Reduce the heat and simmer 5 minutes. Refrigerate until cold.

Meanwhile, peel the remaining oranges with a paring knife, cutting along the natural curve of the fruit. Hold an orange over a large bowl and cut along both sides of each membrane to free the segments, letting them fall into the bowl. Squeeze each empty membrane to release the juices. Repeat with the remaining oranges. Add the mangoes, bananas, kiwis, kumquats and pomegranate seeds and gently toss. Pour the syrup over the fruit and chill overnight.

Before serving, remove the citrus zest, ginger and vanilla pod. Spoon the fruit and syrup into bowls.

To remove pomegranate seeds, cut the fruit into quarters, then break apart in a bowl of water. Skim off the pith that floats to the top and drain the seeds. *Recipe courtesy Food Network Magazine*

Cobblestones is growing!

Every Sunday morning, 480 plus "Cobbles" receive their weekly dose of New Castle's comings and goings and other good and interesting stuff! Cobblestones is my "fun" project, a service to the community. There is no charge to community organizations for their listings.

Space for **commercial/business** ads require a donation of \$50 to cover time and materials. That covers four random insertions.

Ads should be a moderate size. A jpg or PDF works the best. Let me know early in the week an approx. size with a final copy Thursday. If it's just a listing for "events", please send me copy as soon as possible.

Personally, I would like to thank everyone for your interest and participation in the growing Cobblestones family.

Anything I can do to help, please let me know.

Tell them you saw it in the Cobblestones Editor

YOUR FAVORITE BREAKFAST LIBATION IN JELLO SHOT FORM

BLOOD ORANGE mimosa JELLO SHOTS

get this stuff

- 5-10 blood oranges
- 1 cup freshly squeezed blood orange juice
- 1.5 to 2 packets unflavored Knox gelatin (depending on how firm you want your shot to be)
- 1 tablespoon sugar
- 3/4 cup champagne
- 1/4 cup Grand Marnier

Carefully make them

Slice oranges in half and carefully remove the fruit portion to make orange peel "cups." You will need approximately 10 halves (5 oranges) to hold all of the jello.

Juice enough of the fruit to yield 1 cup of blood orange juice. (You will probably need approximately 10 oranges to get enough juice. If you don't have enough, you can simply add in some regular store-bought orange juice.)

Strain juice to remove solids and place in a small saucepan. Sprinkle with gelatin and sugar and allow gelatin to soak for a minute or two. Heat over medium, stirring until the sugar and gelatin are both dissolved.

Stir in champagne and Grand Marnier and pour into orange halves that have been secured in a muffin tin. Allow to set several hours or overnight. Slice into wedges and serve!

Approximately 24 orange wedges

COBBLECLEANINGTIPS

Gently blot up the excess liquid. (Blot, don't rub!)

Then mix equal parts Dawn dishwashing liquid soap with hydrogen peroxide. Pour

the mixture on the red wine stain and let it soak. Then wash. Note: Hydrogen peroxide is a bleaching agent, so this works best on light-colored fabrics.

This three-part docudrama tells the story of how Frederick Douglass, William Lloyd Garrison and their abolitionist allies Harriet Beecher Stowe, John Brown and Angelina Grimké turned a despised fringe movement against chattel slavery into a force that literally changed the nation. Old New Castle was among the sites for filming this program, including the 1707 Meeting House and grounds of New Castle Presbyterian Church.

The program will be aired 9:00-10:00 p.m. on **WHYY** January 8, 15, and 22.

Rt. 273 Trail Public Meeting

Tues., Jan. 15 at William Penn High School cafeteria, from 5:15 to 8 p.m. The workshop will focus on two walking and biking trail projects within and near the City of New Castle.

The Route 273 Trail project proposes to construct a bicycle and pedestrian trail along Route 273 (Frenchtown Road and Delaware Street) from the Farmers Market to near 10th Street in the City. The proposed improvements will connect to the existing New Castle Heritage Trail and the existing Industrial Track Trail. Construction is tentatively scheduled to begin in 2013.

The Churchmans Road Trail Study will present alignment alternatives for extending the existing trail along Churchmans Road (near Airport Road) farther east along Churchmans to Route 273, eventually connecting to the Route 273 Trail. **This is a study only; final design and construction are not funded yet. New Trail in the City along Route 273 is the subject of DelDOT public meeting**

Nora says...Heads up friends!

We will be closed January 6th-10th for vacation!

An exhibition and sale of Far East wanderings of my son Jay opens in Asheville, NC. Last spring he traveled throughout Laos, Cambodia, Vietnam to name a few. This show is the accumulation of that journey. You can view his offerings at jayjoslin.com/gallery. Should you find some that would look on your wall or in your collection...he'd like that!
