Tired of French fries or mashed potatoes?

gotta get

5 russet potatoes - 3-4 tbsps extra-virgin olive oil - 3 tbsps parmesan cheese - 2 sprigs rosemary, stem removed, finely chopped - 4 cloves garlic, minced - ¼ tsp paprika - ½ tsp sea salt - ¼ tsp ground pepper
ready - set - go!

1. Preheat oven to 425°
2. Wash potatoes and cut in half, lengthwise. Then cut each half into 4-5 wedges (like sliced pickles).
3. Put potatoes in a large Ziploc bag and pour in olive oil, rosemary, garlic, paprika, sea salt and pepper. Shake well to coat each wedge.
4. Transfer potatoes to a baking sheet and bake for 25 minutes, or until brown and tender.
5. Flip potatoes over and roast for another 10-15 minutes, or until other side is brown and potatoes are cooked through.
6. Remove from oven and sprinkle with parmesan.

Optional: serve with sour cream.

Begin with 1.5 oz of Gosling's Black Seal Rum and your favorite ginger beer top with a lime wedge and serve in a tall glass. Even when this drink describes the weather, you'll feel warm on the inside.

A Sidewalk Story

The State reports of ongoing stabilization of brick sidewalks on the **New Castle Green** will continue in the autumn of 2015 with improvements planned for three areas of this town commons. Yet a few blocks away we have local citizens repairing the brick sidewalk at the entrance to the park where the new bike racks are. Brick has been missing there for two years or more. Binny Beale, Ron Vukelich and Dave Robinson have repaired it themselves.

Oct. 23 & 24, & 30
at 7, 7:30 and 8:30pm.
If you are brave enough to explore the darker side of New Castle's history, then join the New Castle Historical Society this October for the only ghost tour that brings you inside one of the most haunted mansions of Old New Castle!

You'll begin your journey into New Castle's supernatural side with a tour of the legendary Amstel House - one of New Castle's most haunted houses - where you may meet the "Woman in Blue." After exploring the Amstel House, you will be guided through New Castle's darkened streets and alleyways where you will hear macabre tales of hauntings, Victorian death & funeral customs, and crime & punishment that span the 360-year history of this Delaware River town.

This will be a sell-out.
Make your reservations early.

Dogs and Rain the reason that dogs hesitate before going out into the rain is not because they're afraid of getting wet, it's because rain amplifies sounds and their ears are so sensitive it can be too intense for them.
