The Art of Community Branding

Tourism (formerly DEDO) for their financial support. Ben Muldrow will be leading the efforts of this program. Ben stated at his May 4th presentation that branding is the definition, creation, and implementation of a system to share a community's personality. He explained the need for towns to build a marketing system to promote themselves as a

destination, while positioning it as a place that residents can be proud of, where new businesses will want to invest, current businesses can thrive, and where visitors will want to come. Community branding is not just the creation of a simple logo. Rather, it is a position, graphic identity, tag line, and style set that presents the overall vision and values within the place. Ultimately it will be the foundation of a seamless system to market and promote the community. The next phase will now continue assessing the various stakeholders' perspectives on the character and values of the Historic New Castle area. Discussions will be about destination assets, local and external perceptions, and specific marketing needs. The meetings will be more about having residents and leaders in Historic New Castle communicate to Ben what makes Historic New Castle a special place.

CHICKEN SCARPAPELLO

a classic Italian-American recipe with juicy chicken thighs, sweet Italian sausage, and a vinegary, sweet-sour pan sauce.

4 servings

1½ pounds fingerling potatoes, halved lengthwise • 6 tbsp extra-virgin olive oil, divided • Kosher salt, freshly ground pepper • 3 links sweet Italian sausage • 6 skin-on, bone-in chicken thighs • 2 large onions, chopped
• ½ large red bell pepper, chopped • 6 garlic cloves, finely grated • 1 c dry white wine • 1 c low-sodium chicken broth • ½ cup chopped hot, sweet pickled Peppadew peppers in brine • ¼ cup white wine vinegar • 3 sprigs rosemary • Chopped parsley (for serving)

fixn time

- ▶ Arrange racks in upper and lower thirds of oven; preheat to 450°. Toss potatoes with 3 Tbsp. oil on a rimmed baking sheet; season with salt and pepper. Arrange cut side down and roast on lower rack until tender and cut sides are browned, 20–30 minutes; set aside.
- ▶ Meanwhile, heat remaining 3 Tbsp. oil in a large skillet over medium-high. Cook sausages, turning occasionally, until browned on all sides, 6–8 minutes (they will not be fully cooked). Transfer to a plate.
- ▶ Season chicken on both sides with salt and pepper. Cook in same skillet, turning occasionally, until golden brown on both sides, 8–10 minutes (they will also be undercooked). Transfer to plate with sausage.
- ▶ Cook onions, bell pepper, and garlic in same skillet over medium-high heat, stirring occasionally and scraping bottom of pan, until tender and beginning to brown, 10–12 minutes. Add wine and cook, stirring occasionally, until reduced and you can no longer smell the alcohol, about 8 minutes. Add broth, peppers, vinegar, and rosemary and bring to a boil; cook until slightly reduced, about 5 minutes. Nestle chicken into onion mixture, then transfer skillet to upper rack of oven and roast chicken 10 minutes. Add sausages to skillet, pushing them into onion mixture, and continue to roast until chicken is cooked through and an instant-read thermometer inserted into thickest part of thigh registers 165°, 5–10 minutes. Top with parsley and serve with roasted potatoes alongside

This **CIDER SLUSHIE** combines apple cider, bourbon, ginger beer, and chai tea to create an aromatic cocktail that simply tastes like fall.

Gonna need

4½ cups apple cider, divided • 1 cup bourbon • 1 cup ginger beer • ¾ cup cold chai tea • ¼ cup lemon juice **Now** pour 3 cups of the apple cider into an ice tray and freeze until solid, 4 to 6 hours. Once frozen, transfer the cubes to a blender with the remaining ingredients and blend into a smooth slushie consistency.

Tours to begin at The Arsenal

If you are brave enough to explore the darker side of New Castle's history, then join the New Castle Historical Society this October for the only ghost tour that brings you inside one of the most haunted mansions of New Castle!

Delaware State Police would like to remind motorists that the deer rut and hunting season is fast-approaching during the months of October and November; therefore, we would like to help prevent the spike in deer-related crashes that typically occur every fall in Delaware. The friendly reminders will hopefully keep our drivers safe, more alert and will also lead them to slow down during this specific time of the year.

In 2016, there were a total of 2,042 animal/deer-related crashes. Majority of deer activity resulting in crashes occurred during the dusk and dawn hour on main roads as well as back roads.

Please be careful when traveling and keep a sharp eye out for deer crossing roadways, especially at dusk. Deer are even more active due to their annual mating season 'rut' in November with bucks chasing doe through fields, marshes and woods. The average white-tailed deer in Delaware weighs approximately 130 pounds, with larger bucks tipping the scales at 180 pounds or more. With the increased white-tailed deer activity, Delaware motorists are kindly reminded to stay alert and to be ready for a deer to dart out into the roadway from dusk to dawn.

Attentive driving and slow speeds are the best ways to avoid deer crashes.

To reduce your risk of injury in a collision, always wear your seatbelt.

Watch for "Deer Crossing" signs that mark commonly-traveled areas, and be aware that deer typically cross between areas of cover, such as woods or where roads divide agricultural fields from woods.

Slow down and blow your horn with one long blast to frighten deer away. Do not rely on devices such as deer whistles, deer fences and reflectors to deter deer, as these devices have not been proven to reduce deer crashes.

Do NOT feel more secure on highways just because they are better lit than back roads- speeds are higher and deer eyes are more difficult to see on highways- so drive cautiously and remain alert at all times.

Do NOT take your eyes off of the roadway. It's that split second of changing the radio channel, or reaching for something that can make the difference to avoid a deer.

The Delaware State Police issues this traffic advisory and wishes you safe travel as you reach your destination.

FALL LEAF PICK UP

The City does not have set dates for leaf pick-up, we take our cue from Mother Nature; when the leaves start to fall, rake them to the curb for pick up. Rake ONLY leaves to the curb, no sticks or other debris may be in leaf piles, as this may damage the machinery.
