# WINNER!

Brew Master Mike

Long time Cobble subscriber **Mike Plaisted** was voted First place people's choice in the Belgian/French category at the **Delaware Wine and Beer Festival** at the DE agricultural museum in Dover last weekend. They hold the DE homebrew championship. They have a AHA (American Homebrew Association) sanction homebrew contest judged by sanction judges. They also have a people's choice judging for each category as well, judged by attendees who purchased VIP tickets. Mike received first place people's choice in the Belgian/French category for my Belgian Saison, "The Revolutionist Saison".

## A better welcome mat

*New Castle needs*

With forty plus years welcoming tourists to our nations National Parks, New Castle native **Russ Smith** addressed City Council on what is needed to be more visitor friendly. A Regional Chief of Interpretation for seventy-some parks of the Northeast Region for thirteen years, Russ developed the interpretive planning system used by the NPS. Highlight of his recommendations include:

**Print Media and Brochures** - The pre-visit brochure is well-designed and carries a lot of information. What it does not do is provide a single contact for information.

**Digital Media** - Most visitors now probably have their first contact with New Castle through digital media.

**Highway Signs** - Highway signs aren't as critical as they used to be because of GPS.

**City Signs** - The former Historic New Castle Alliance provided funding for deIDOT to erect **Historic New Castle Signs** on area roads. The National Park Service followed up on that idea. Unfortunately, the park's name change now needs to be addressed.

**Parking** - Yes, I'm going to go there. I think this sign symbolizes the quandary the city is in. Where do we want visitors to go?

**Clean convenient restrooms** - As any visitor center staffer will tell you, the first question a visitor asks is "Where are the restrooms?"

**On-site Information/Orientation** - Once visitors have parked, they generally look around for some sort of a visitor center

**Convenient Visitor Hours** - All attractions in New Castle are closed on Monday and Tuesday and most are closed from November through March

**Wayside Exhibits** - One of my favorite forms of interpretive media are wayside exhibits.

**Leadership and Coordination** - The common elements in all the above concerns are a lack of leadership and coordination for visitor experience efforts in the city.

**Water main replacement to be followed by streetscape enhancement**  
A pipe replacement project on Route 9 at Dobbinsville is underway.

The City of New Castle's **Municipal Services Commission** and the **Delaware Department of Transportation** are partnering on the project, the centerpiece of which is the replacement of a water main in the area.

It's a badly needed project, but one that also is providing us with an enormous opportunity to enhance the streetscape and make the intersection safer for commuters and pedestrians alike. With the roadway under construction, stakeholders decided we had an opportunity to improve the intersection with new traffic signals and traffic calming features designed to slow traffic.

The project represents a collaborative effort between the state and New Castle City government. I worked closely with NC City Council President Linda Rachford and Town Administrator Bill Barthel to help them coordinate the project with DelDOT, and Reps. J.J. Johnson and Mike Mulrooney helped push it over the finish line.

I expect the project will be completed next spring, and will provide additional updates as things progress.

## Get in the Spirit... Be a Character!

Again this year on **Saturday, December 12th** Old New Castle will be celebrating

*"The Spirit of Christmas".*

Many homes will be decorated for the season and open to the public. In conjunction with the New Castle Historic Society *"A Dickens Experience"* takes us back in time. Throughout the day residents will be strolling the streets in Victorian attire, the story will be enacted outside three times during the day.

Last year was a great success and anticipation for another great day is at hand.

**Wouldn't you like to play certain character?**

*We need 'period' town folks to meander along the shops and streets, welcoming visitors while adding to the flavor of the day!*

Please join us in this unique and fun-filled event.

If you need, or can offer costume assistance.

please contact Nancy Jodlbauer [njodlbauer@verizon.net](mailto:njodlbauer@verizon.net)
