TEETH COOKIES

GO GATHER

1 package refrigerated chocolate chip cookie dough or your favorite cookie recipe • ½ cup prepared vanilla frosting, tinted red
1 ¾ cups miniature marshmallows • 48 slivered almonds

CONJURE UP

Prepare cookies as directed on package or according to your favorite recipe. Cool on baking sheets for 2 minutes; remove to wire rack to cool completely. Cut each cookie in half for a total of 48 halves.

Frost the bottoms of all cookie halves with frosting. Place 6 marshmallow teeth around curved perimeter of 24 halves. For additional support, an additional marshmallow can be placed behind the teeth. Top with remaining 24 halves. Insert two almond slivers in between teeth for fangs. If fangs do not adhere, dip tips into frosting.

is a really pleasant mix of fruits and tequila, semi sweet and tart. It is the ginger puree that makes this drink really sing by adding a subtle sweet and spicy taste that adds depth. As far as the egg white goes, I think it's essential for creating the smooth texture and bringing all of the flavors together. Though, if you're inclined you could skip it without having too much of an effect on the overall drink.

going to need

- 3/4 parts lime juice

- 1 tsp sweet ginger puree*
