Penn receives the key

The New Castle Court House Museum hosted a day long series of events commemorating the 336th anniversary of Penn's Oct. 27, 1682 arrival at New Castle, the site of his first landing in the New World. The morning started with the Livery of Seisen reenactment. Penn had received a grant of land from Charles II of England for the land of Pennsylvania but he received the land comprising Delaware from the King's brother, James, Duke of York. This Penn called his 3 lower counties of Pennsylvania. To formally claim his property he must go through an ancient English ritual of transferring land from one owner to another; this is called Livery of Seisen. The Symbols were: A handful of dirt, representing the land, a twig, representing all that grows on the land, a cup of water, all water resources on the land, and in Penn's case, a key, representing the town and government. A Baroque music concert, "1670 Trial of William Penn" (historical play on the 1670 trial of Penn), tours of the Museum, among others rounded out the day.

## Free Fridge Space

Just about everyone keeps ketchup in their fridge, but there is no real reason for it. Time in the fridge does extend the ketchup's lifespan a bit, but most families use it so much that it doesn't expire before it runs out. If you are looking to free up some fridge space, send your ketchup to the pantry.

## Father of Lager Beer

Last week was significant in First State Brewing history, as it marks the 148th anniversary of the death of Delaware's "Father of Lager Beer", Christian Krauch.

Nearly forgotten by time, Krauch is the brewer who introduced lager to First State and virtually started what would become a significant and profitable industry.

Like all great originators, Krauch died penniless & is buried in an unmarked grave at W&B Cemetery. We're going to raise money for a memorial for him

Stay tuned to Delaware Beer History's Facebook group for an announcement in the coming week on how you can help re-pay a long-overdue debt to Krauch and memorialize a piece of Delaware's rich brewing heritage.

More on Krauch at <http://www.delawarebeerhistory.com/lagers-rise/krauch/>
