City debuts new website

The City has a new loaded with information for residents and visitors. The redesigned site has improved navigation and is aimed at being ultra user-friendly.

Last January the New Castle City Council reviewed a range of proposals for updating the site. Costs were wide-ranging and as much as \$20,000.

City Council members selected the Delaware Government Information Center (GIC) to revamp the City's site. Since this is a department of the State of Delaware, no City tax dollars were expended in development of the updated site.

There are a number of advantages the City enjoys having their site with the GIC. For example, Web hosting is provided by the State so this is a cost savings to the City. The GIC also provides training to City employees who now have the ability to directly edit the site and upload information. Not only does this add to the cost savings but may greatly increase the speed at which items of importance can be placed online.

The City wishes to especially thank the GIC team, City staff in Finance and Administration, and, of course, the Mayor and Council members who supported City personnel working along with GIC to develop a new and improved City Web site.

Persons accessing the former address will be automatically redirected. Frequent visitors may want to update their bookmarks or favorites.

Note, the new address: newcastlecity.delaware.gov

Notes from ST. ANNE'S GUILD Christmas at Sea

The Guild will again sponsor **"Christmas at Sea"** in conjunction with the **Seamen's Center at the Port of Wilmington**. The goal of the program is to give a Ditty Box filled with gifts to every seafarer arriving in Delaware during the month of December. The

Guild will provide the boxes which will be available at the Church this Sunday along with the list of contents needed to fill them. They should be returned by **Sunday, November 13th**. Thank you in advance for assisting us with this outreach project.

*We are still collecting gently used clothing and shoes for men, women and children for **The Delaware Clothing Bank**.*

Cobblestones learned of **Operation Christmas Child** at Thanksgiving dinner last year. Discovering what a worthwhile opportunity this was to do something for children who have little or nothing, I felt this giving experience needed to be shared.

Operation Christmas Child distributes 'shoe boxes' that you or your organization pack and send to Samaritan's Purse to distribute around the world. Last year 8 million children received shoe boxes. Over 130 countries have received shoe boxes since 1993.

Samaritan's Purse is an international relief organization, headed by Franklin Graham, that provides immediate, no-red-tape response to the physical and spiritual needs of individuals in crisis situations.

Steal This Recipe®

Steak & Potato Pot Pie

This recipe makes 8 restaurant servings.

Pastry instructions

Buy it at your supermarket!

Let's keep this simple!

Steak & Potato Filling:

2 lbs already braised beef rib meat pulled off the bone (you can use any cooked stewing beef, but I prefer the ribs because they have the most flavor)

4 carrots, peeled and cut in 1 inch dice

3 small russet potatoes, peeled and cut in 1 inch dice

5 tbsp unsalted butter

1 large yellow onion, chopped

3/4 cup frozen green peas

5 tbsp flour

1 cup beef broth

1/4 cup cognac or dry red wine

1 tsp fresh rosemary

1 tsp fresh thyme

1 tsp salt

1/2 tsp ground black pepper

1 egg

1 tsp water

Pie instructions

Preheat the oven to 425° F.

Place the potatoes in a pot of cold water. Bring this to a boil.

After 10 minutes, add the carrots and cook 5-10 minutes more until both the potatoes and carrots are fork tender. Drain and set the vegetables aside.

Melt the butter in a wide sauté pan, add the onions and cook until translucent.

Sprinkle in the flour; stir and cook 5 minutes, but do not brown.

Slowly add the broth to the onion mixture, whisking until the sauce smoothes out and thickens.

Add the cognac or wine, rosemary, thyme, salt and pepper and cook 5 more minutes.

Add the beef, potatoes, carrots and frozen peas to this sauce and mix gently.

Pour mixture into a 2-quart casserole, soufflé dish, or large ramekins if you're making individual pot pies.

Take the pastry dough and place over the dish or cut the pastry to fit the individual ramekins.

Press down the pastry over the edges of the dish, folding them as necessary.

Combine the egg and water in a bowl and brush over the pastry.

Bake for about 25 minutes, or until the crust is golden brown.

COBBLE TIP

Pepper

Everyone knows Clorox's catchy ditty about keeping clothes

bright, but all you need is pepper. Add a teaspoon of pepper to the wash before you add in your clothes and it will keep the colors from fading.

What's in your sandwich?

With all the options out there, the sandwich is still the most favored. But as lunch time rolls around we opt for the same old thing. You can build your own at home but dining out is another issue. **Men's Health** invites you

to → **Build the Perfect Sandwich**. The interactive tool lets you choose your favorite bread, meat, vegetables, cheese and toppings. Try it and see how what you concocted translates into a nutritious "heathy sandwich".

HOLIDAY EATING TIPS

- Avoid carrot sticks.** Anyone who puts carrots on a holiday buffet table knows nothing of the Holiday spirit.
In fact, if you see carrots, leave immediately. Go next door, where they're serving rum balls.
- Drink as much **eggnog** as you can. And quickly. It's rare... You cannot find it any other time of year but now. So drink up! Who cares that it has 10,000 calories in every sip? It's a treat. Enjoy it. Have one for me. Have two. It's later than you think. **It's Christmas!**
- If something comes with **gravy**, use it. That's the whole point of gravy. Gravy does not stand alone. Pour it on. Make a volcano out of your mashed potatoes. Fill it with gravy. Eat the volcano. **Repeat.**
- As for **mashed potatoes**, always ask if they're made with skim milk or whole milk. If it's skim, pass. Why bother? It's like buying a sports car with an automatic transmission.
- Do not have **a snack** before going to a party in an effort to control your eating. The whole point of going to a Holiday party is to eat other people's food for free. Lots of it. **Hello?**
- Under **no circumstances** should you exercise between now and New Year's. You've got January when you have nothing else to do. This is the time for long naps, which you'll need after circling the buffet table while carrying a 10-pound plate of food and that vat of eggnog.
- If you come across something really good at a buffet table, like frosted **Christmas cookies** in the shape and size of Santa, position yourself near them and don't budge. Have as many as you can before becoming the center of attention. They're like a beautiful pair of shoes. If you leave them behind, you're never going to see them again.
- Same for **pies**. Apple, Pumpkin, Mincemeat. Have a slice of each. Or if you don't like mincemeat, have two apples and one pumpkin. Always have three. When else do you get to have more than one dessert? **Labor Day?**
- Did someone mention **fruitcake**? Granted, it's loaded with the mandatory celebratory calories, but avoid it at all cost. I mean, have some standards.
- One final tip:** If you don't feel terrible when you leave the party or get up from the table, you haven't been paying attention. Re-read tips; start over, but hurry, January is just around the corner.

Have a fulfilling

Merry Christmas

Sadie Hawkins Day November 13

It all began in Al Capp's "Lil Abner" Cartoon in the 1930's. The mayor of Dogpatch was desperate to marry off his ugly daughter. So he created Sadie Hawkins's Day. On this day, a race is held and all the single men were given a short head start. If a woman catches her man, he had to marry her.
