HALLWEEN PARADE

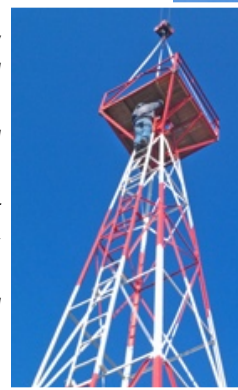

Last Wednesday's Halloween Parade hosted by our NC Hundred Lions Club was a great success! Children of all ages wowed everyone with a variety of costumes. A real crowd pleaser was the Thompson family's Flintsones. See more in the Halloween insert.

A tower of history finds a new home at Bellanca field.

This beacon tower was recently installed at the Bellanca Field Museum. Harry Vanderhuval has loaned the circa 1930 tower that once stood at the Georgetown Air Park indefinitely. FOB (Friends of Bellanca) member Joe Finocchiaro restored and directed the installation. Trustee of the Common member Christopher Castagno

arranged for the crane with Becky Kendall of Raven Crane & Equipment to bring the assembled tower to its upright position.

White Russian

is a drink everyone should know. It's a simple, creamy vodka mixed drink with a nice coffee flavor that makes a great after dinner sipper. If you skip the cream you'll have a [Black Russian](#), give the White Russian a shake at the end and you have a [Dirty Bird](#), add amaretto and you have a [Roasted Toasted Almond](#).

Keep a supply of coffee ice cubes for flavorful twist. The drink list to the White Russian is almost endless.

Better than fries! Cut potatoes almost all the way through, drizzle olive oil, butter, some sea salt, and pepper over top and bake @ 425 for 40 minutes.

“The bartender complimented me on my costume but I didn't have the heart to tell her this is my normal attire.”

Puppy Love

The Whismans love dogs - especially rescue dogs.

Therefore several years ago when their 14-year-old dog Casey died, within several weeks an adorable, rather neurotic Schnauzer named **Enzo** had joined their family. Enzo is a 7-year-old puppy mill survivor who was brought East from Illinois by All

They Need is Love Animal Rescue in Thorofare, NJ. Everything was going along just fine until this summer, when the Whismans decided to try their hands at fostering dogs for Tree Tops Animal Rescue in Landenberg, PA.

Their first foster dog was **Maddie**, an energetic Jack Russell mix. They fell in love with her but were true to their mission to provide her with a safe, loving environment until her forever home could be found. Within six weeks, she was adopted by a wonderful family and now resides in State College, PA.

The same day Maddie left to begin her new life, 5-year-old **Mason** arrived in their home. He had been severely abused before he was dropped off at a shelter in North Carolina and then brought North by Tree Tops. Within a week, he was feeling comfortable and happy in his new home. Jim and Barbara fell in love with Mason, too. But this time, so did Enzo. The two dogs developed such a strong bond that it became apparent that Mason's new home would be with the Whismans. I believe the above picture tells the rest of the story....

Cobblestones is growing!

Every Sunday morning, *nearly 600 "Cobbles"* receive their weekly dose of New Castle's comings and goings and other good and interesting stuff!

Cobblestones is my *"fun"* project, a service to the community. There is *no charge* to community organizations for their listings. *Keeping in mind the 'community fun philosophy'*

Cobblestones is free of political or social issue advertising.

Space for **commercial/business** ads require a donation of **\$50** to cover time and materials.

That covers four random insertions. Checks made to me personally.

Ads should be a moderate size. A jpg or PDF works the best. Let me know early in the week an approx. size with a final copy Thursday. If it's just a listing for "events", please send me copy as soon as possible. Personally, I would like to thank everyone for your interest and participation in the growing Cobblestones family. Anything I can do to help, please let me know.
