### November is Picture Book Month

Periodically, throughout the month of November, we will be sharing some of our staff's favorite picture books and why. If you are interested in placing a hold on any of these books, follow the provided link to our catalog or call our reference desk at 302-328-1995

**Julie**, our library director, recommends "The Seven Silly Eaters" by Mary Ann Hoberman and "Diary of a Worm" by Doreen Cronin because "I can relate to the mom in 'The Seven Silly Eaters' because my son was a picky eater. I like the 'Diary of a Worm' for the hilarious line "her face will always look just like her rear end" when writing about his sister."
