Club President Jason P. Casper, presenting the New Castle Hundred Lions Club Foundation Community Award to The TEDITOR, Ted Joslin. THANK YOU TED, for all that you have done to help promote the New Castle Hundred Lions Club, and all of our events.

## “Hear ye, hear ye!”

Your Teditor-in-Chief has had bestowed upon him the Citizen of the Year Award by the New Castle Hundred Lions Club. This is big news in the fair village. Your humble scribe who freely and voluntarily donates his time and effort to report the goings on **IN LIVING COLOR** in weekly dispatches does so at his own expense and for the love of it. He loves New Castle. He loves the Port. He loves being integral to the community, and your support of him is a service in kind. Consider a subscription, a donation for Cobblestones archive access, or even better- come give him a pat on the back and buy him a burger (rare, for the love of God) at any of the local hang-outs. New Castle- you mean the world to him- and he'll keep delivering all the news that's fit to PDF every week. Thank you for supporting Ted and Cobblestones!
